

By Kevin Siembieda

Yeow. Just when I thought things could not get wilder at Palladium Books, they do.

Tidbits from behind the scenes: All kinds of stuff is going on behind the scenes at Palladium. I have been so busy that I feel like I have been teleported from Monday to Thursday.

New licenses and opportunities. It is all very exciting stuff, though I cannot discuss much of it at this stage. I can tell you that two of them are potential licensing deals, one of which has incredible potential and will be something that will surprise and thrill everyone. “If” it pans out. The other would be cool, fun and nice, but after spending a lot of time on it, I’m not sure it’s going to pan out.

Palladium’s plans to create **comic books** are also slowly moving along and there have been rumblings from the West Coast.

Could Rifts® Miniatures be returning? Thanks to some behind the scenes activity by Carmen Bellaire, the answer may be yes. Palladium might be in a position to bring back select “out of print” miniatures like the

Glitter Boy, Coalition Soldiers

and

Juicers

. Feasibility and details are still being hammered out. There has even been some talk about possibly doing a *miniatures game*

for

Rifts

®, but if it happens at all, it is quite a ways off.

Looking at the current miniatures market has revealed that **Rifts® miniatures** are currently priced at about 60-70% below current market (i.e. an entire blister pack of figures from Palladium costs what other companies charge for just ONE figure).

Fair warning

: Palladium will be doubling, perhaps even tripling, the current retail price of its Rifts® miniatures very soon. You probably have

one

, maybe two weeks before we make our prices “market competitive.” So if you’ve been meaning to build an army of Rifts® characters on the cheap, buy them this weekend. Re-released figures will probably be sold as individual figures for around \$6-\$7, while large figs like the

Glitter Boy

(as well as SAMAS and Coalition Sky Cycle) will be in the \$16-\$20 range. The cost of pewter is just that expensive.

Cash flow has been holding up many of these projects. We’re toying with a couple of ideas to raise money.

WARNING: The Rifter® Subscription Special ENDS SOON – February 20, 2012 – that’s less than three weeks.

Now

is the

[time to order](#)

, because you get a great price, a free gift and it helps Palladium immensely. Furthermore,

The Rifter

® is a wonderful source for gaming ideas, adventures, new villains, new monsters, new magic, powers, etc., as well as finding new ideas and new avenues to explore. It’s a win-win, because you get something of value – four issues of

The Rifter

® (plus the free gift; heck, you can even give it away as a gift) and the knowledge that you gave Palladium a shot in the arm when we needed it. As always, we appreciate your support.

UPDATE: Online Sales – What the...? Online sales dropped sharply after I gave you guys and gals props for doing a great job in the last Weekly Update. I didn’t mean to suggest you should stop buying because all was well. This time of year is our slow period, so cash flow and sales are all over the place. Weekend sales were good. Then sales fell flat, but we saw a big bounce when the *Palladium Open House V.I.P. Night tickets* became available yesterday.

UPDATE: The last available VIP Open House Tickets are available NOW. There are fewer than 15 left (we limit VIP afternoon and evening to under 90 gamers). Enjoy an afternoon and evening with Palladium staff and creators, a catered dinner, a talk by Kevin Siembieda, get the first chance to purchase art and collectibles and enjoy panel talks or gaming for the rest of the evening. VIP tickets are available only while supplies last. Sold on a first come, first served basis. We sold 13 overnight, and a few more today so far. VIP Night is May 3, 2012, starts around 3:00 in the afternoon, includes a catered dinner (as part of the ticket cost), a night of gaming, and first crack at purchases.

Giving Palladium a hand. We've been fielding an ever increasing number of requests from fans about how they can help or support Palladium. Thank you.

The quick, easy answer is buy stuff. And not just RPG books, but art prints, bookmarks, greeting cards, magnets, coffee mugs, baseball caps, dice bags, back issues of

The Rifter

®, a Rifter® subscription, and, well, anything that might strike your fancy. It all helps. I'm kicking around some other ideas too, and will share them with you in the future.

Please keep the pre-orders coming. We do NOT charge your card until a week or two prior to the actual shipping of the book, and pre-orders help us to gauge demand and how many we should print, as well as provide us an instant surge of cash when the book is getting ready to ship.

Hype, hype, hype. Let other gamers know about our games and upcoming releases. Let people know how much fun it is to play in the Palladium Megaverse®.
