

By Kevin Siembieda

This has been an action-packed week. We are in high gear working to release at least four new books by Gen Gen Indy. I've been busy writing two books simultaneously: [Rifts® Vampires Sourcebook](#) and [Rifts® Black Market](#), while assigning artwork and coordinating work on several others.

UPDATE: Rifts® Vampires Sourcebook

The writing on this book is shaping up nicely, and the ideas . . . you'll love 'em. The new material for Reid's Rangers, Fort Reid, Camazotz and the Yucatan, werebeasts, hunters of Vampire Hunters, Erin Tarn and all the rest, will make gamers tremble. I've got *Nick Bradshaw* and *Mark Dudley* working on additional art. A July release!

UPDATE: Rifts® Black Market

This great book is packed with source material that may make some guys squeal with delight like little children. When I'm not working on **Rifts® Vampires Sourcebook**

I have been working on

Rifts® Black Market

. Just yesterday, after I did work on the Vampire Hunters and Doc Reid section, I spent five hours going over

Black Market O.C.C.s,

the special abilities of

Black Marketeers

and the section on

Black Market jobs

. Earlier that day I met with

Carmen Bellaire,

who is writing up an armory of

Bandito Arms

weapons and gear. I then met with

Julius Rosenstein

who is wrapping up his writing of five Black Market O.C.C.s. Much like

Rifts® Lemuria

, I think the Black Market sourcebook contains a wealth of new data, ideas and source material that will make you say “wow.” That’s why we had to increase the page count. And, I might add, much of the material can be adapted to other game settings. I sent art assignments to

Mike Mumah

and

Amy L. Ashbaugh

for

Rifts® Black Market

earlier this week, spoke with both, and I’m ramping up to send the second batch out to them and other artists on Monday. Black Market will be a July release if it kills me!

UPDATE: The Rifter® #59

Wayne Smith and *Alex Marciniszyn* are fast at work editing the fun contributions to this issue of

The Rifter

®. I’ve assigned the artwork and sent agreements out to contributors a few days ago. In fact, I met with one of the artists this morning to provide him with some reference material. This is another great issue with material for

Splicers

® with Chuck Walton art,

Rifts® Xiticix

with Ben Rodriguez art,

Techno-Wizardry

across the Megaverse®, the second half of the Kezel for

Heroes Unlimited™

and more. See the full description for it elsewhere in this Weekly Update. A July release!

UPDATE: Rifts® Northern Gun™ One

This is “part one” of a big project that, when combined with **Rifts® Black Market**, **Northern Gun™ Two**, **Rifts® Vampires Sourcebook** and **Rifts® Megaverse® in Flames**,

is going to expand and transform the range of adventures across the North American landscape. The full magnitude of this combination of books will not be known until you see them. And as if that were not enough to get your hearts pumping – there are plans for

Rifts® Lazlo

as an early 2013 release (a book I have been secretly working to get into development for the last two years).

Meanwhile,

Charles Walton

has been busy busting out more awe-inspiring artwork for NG-1. August release – in time for Gen Con. At least

that's the plan.

Northern Gun™ One Hardcover. You have only this last weekend to order your **Northern Gun™ One hardcover, NG-1 collector's hardcover** and **PDF**, as they are only available via the *Northern Gun™ crowdfuning offer*. And it ends on Monday, June 25, 2012.

UPDATE: Northern Gun™ Two

Northern Gun™ Two is the power-packed part two of the Northern Gun pair of World Books that will complete the picture of Northern Gun and fill in the details of an important force in the North American setting. *Chuck Walton* should blow us away with more art for this title when we meet Friday afternoon.

UPDATE: Online Sales

With the *Northern Gun ONE Megaverse® Insider crowdfunding offer* creating buzz and excitement, sales across the board have been very good. Please, keep 'em coming. And don't overlook the nifty [bookmarks](#), [C hi-Town Library pencils](#)

,
[T-shirts](#)
and
[mugs](#)

.
[Rifts® Lemuria](#)
and
[Endless Dead](#)
™, along with

Rifts

® titles,

Heroes Unlimited

™ and

Palladium Fantasy

® in general, are seeing a lot of interest.

LAST FOUR DAYS to get your exclusive

Rifts ® Northern Gun™ ONE crowdfunding items

**The Northern Gun™ One hardcover,
Collector's Hardcover, PDF, and other items
and services exclusive to the
Northern Gun™ One crowdfunding offer
are only available till
*Monday, June 25, 2012.***

This is your last few days to place your order for the limited time offer of the NG-1 hardcover, NG-1 Collector's hardcover, PDF edition and other offers.

NOTE:

This current offer and next month's

Northern Gun™ TWO

Megaverse Insider crowdfunding offer are the last two planned for this year. This one
ends June 25, 2012.

The value of crowdfunding. Crowdfunding gives Palladium Books a boost and the ability to release books with superior production value, and helps us develop other titles, do more reprints, advertising, reduce our debt load, and engage in other efforts to make Palladium strong. In fact, I paid down a big chunk of debt just this week, much of it going to Palladium's talented writers and artists.

Your participation is welcomed and appreciated, but please, do NOT overextend yourselves. Purchase only the Megaverse Insider items you want and what you can afford. **NOTE:** The special items like *art prints* that the higher levels of participation receive are NOT the same as those in the *Lemuria Megaverse® Insider offer*; they are completely new and different. How else would they be special? Each new offer will always be something new and special, unless

stated otherwise.

**The Rifts® Northern Gun™ ONE
Megaverse® Insider crowdfunding ENDS on
MONDAY, June 25, 2012. This deadline will
NOT be extended. (IMPORTANT: The *Rifts®*
Northern Gun™ 1 & 2 crowdfunding offers
are the LAST TWO for this year. Enjoy.)**

Crowdfunding fun fact. It seems like every time I turn around, I'm reading or hearing something new about crowdfunding. I was surprised to learn people are even going on line to crowdfund medical procedures and surgeries at websites like YouCaring.com, GiveForward.com and fundly.com. Wow. It is wild how fast this idea is going mainstream and being used by everyday folks as well as businesses.

UPDATE: Available on DriveThruRPG.com

The Rifter® #49-52 are available on DriveThruRPG.com

(issues #1-52).

Sneak previews

of

Rifts® Vampires Sourcebook

and

Rifts® Black Market

should be coming soon. We plan to add a few more items in the coming months that should please Palladium gamers. We are also continuing to move forward with plans for the PDF only editions of

The Rifter® #0.1

and

The Rifter® #0.2

– both are big, juicy digital editions of new, fan created material for the Palladium Megaverse®

of games.

Don't forget, DriveThruRPG.com also offers the

[Rifts](#)® and [Palladium Fantasy](#)® **Game Master Kits**

(both written by *Carl Gleba*

and complete with maps, combat matrix, character sheets, spell list, and 20 pre-rolled characters created by

Julius Rosenstein;

\$5 each), and FREE Sneak Previews of

[Endless Dead](#)

™,

[Rifts](#)® [Lemuria](#)

,

[Rifts](#)® [Vampire Kingdoms](#)

™, and

[Thundercloud Galaxy](#)

™, as well as 90+ back stock titles, including back issues of

The Rifter

®, and first edition rule books for **Rifts®**, **Palladium Fantasy RPG®**, **Heroes Unlimited™**, **The Mechanoid Invasion® Trilogy**

, and lots of other good things. ALL available as PDF downloads at reasonable prices. And there is MORE to come.

UPDATE: Kevin's Online Toy & Collectibles Store

Alex and I continue to add Palladium collectibles as well as a large number of collectible toys and action figures to my online store. More will be added all weekend long as well as more new items every few days for the next several weeks. Right now they include proofreader copies of books, Palladium gold editions, some artwork, some art prints, and other good stuff. Most Palladium items are

signed by me, Alex and other Palladium creators. We'll keep them coming if you keep buying them. <http://stores.ebay.com/kevinstroys-artandcollectibles>

Big Things Boiling?

The above are just the highlights of the week and things I thought you'd enjoy hearing about. Here's some more. There is a lot boiling behind the scenes. Palladium's agent, *Mark Freedman* of

Surge Licensing,
represented

Rifts

® and Palladium Books® at the

Licensing Show

in Las Vegas last week. Monday morning, I get a call from Mark shortly after he got off the Red-Eye. He was too wired to go to sleep and wanted to touch base with me. The call started something like this: "Kevin, it was unbelievable

how many people know and love

Rifts

®.” What comes next? Hopefully follow-up telephone calls and licensing deals with several potential licensors who expressed interest at the event.

Meanwhile, new book projects for 2013 are already being started. I’m looking into expanding the range of Palladium’s **Robotech**® license with Harmony Gold, we’re planning advertising and promotion, agreeing to convention appearances for next year already and making plans for

Gen Con

in August. I have been recently contacted by a few other creative types about other possible

Rifts

® and

Nightbane

® projects for development into different

mediums. Film, television and videogames are all high on our agenda, but we'll consider everything and are looking for licensing partners on all fronts. One talented gamer is looking into doing a Rifts® Character Generator, another is working on one for Heroes Unlimited, and I recently fielded a call about possible Facebook game development. ALL of this stuff is exciting, but in its infancy and may go nowhere. Still, it's nice to see so much *interest*

in Palladium's intellectual properties. Oh yeah, our

Gen Con

e-mail blast to 70,000 gamers should go out today, and I'll be working on some advertisements later today. Then it's back to writing books.

That's the news and updates for this week. I'll be working through the weekend on **Rifts®**

Vampires Sourcebook

and

Rifts® Black Market

, stopping only to call the last few remaining Lemuria Benefactors and Ultimate Insiders (some of you are hard to get hold of).

We're excited about new releases and future possibilities. I hope you are too.
