Reminder – there is only one day left to order exclusive **Rifts® Northern Gun™ ONE** hardcover editions and other crowdfunding items.

Offer good through Monday, June 25, 2012.

Thank you so much

Our sincere thank you to the 236+ gamers (and counting) whose support of this [Northern Gun ONE Megaverse Insider offer](#)

has enabled us to already slightly exceed our target goal for this crowdfunding venture.

And there is still one day to go!

As we have stated, money made above and beyond our projected goal is applied to developing new RPG projects, paying off Palladium debt, increasing promotion and advertising, doing reprints, and growing the company.

Your continued participation is welcomed and appreciated, but please, do NOT overextend yourselves. Purchase only the Megaverse Insider items you want and can afford.

The value of crowdfunding. Companies around the world are using the revolutionary concept of crowdfunding. Such crowdfunding gives Palladium Books a boost and the ability to release books with superior production values, and help us develop other titles, do more reprints, advertising, reduce our debt load, and engage in other efforts to make Palladium strong. The **Megaverse® Insider crowdfunding offer**

for

Rifts® Northern Gun™ One

enables you to purchase special and collectible items and opportunities

not available to the general public

and help fund Palladium projects at the same time. “Crowdfunding” offers are a new way for companies to raise funds for major releases and special projects.

Note: The *Rifts® Northern Gun™ 1 & 2 crowdfunding offers* are the LAST TWO for this year. As per many of your requests, Palladium is doing the Insider offer on the two related

Northern Gun™ books
