UPDATE: Rifts® Bestiary, Volume One – Ships Early November

We are working like crazy on this book. Wayne and Alex are busy editing, Chuck is putting the finishing touches on his artwork and doing a few additional illustrations, Nick Bradshaw is doing art for a few last minute new monsters, and I have been writing and updating as fast as I

can. The new monsters are awesome and some of the updates will make familiar and forgotten creatures feel new again. I'm behind where I wanted to be on this book, but it and Volume Two are going to be something special.

We are all excited by how much new material has been added to the [Rifts® Bestiary, Volume One](#)

(and

[Two](#)

). Every single creature has extra information and updates, but many are much more expanded and detailed than I had originally imagined I would make them. It has been fun to revisit and expand upon these monsters and animals. These comprehensive rewrites only serve to make two better and more useful books for gamers. And the new beasts? I'm loving them and so will the fans. We know the customer will enjoy and get a lot of use out of these tomes.

The two upcoming **Rifts® Bestiary** books are great resources for players and G.M.s alike, with creatures that can be used as familiars, pets, riding animals, guard animals, and in some cases, even unlikely allies. Others are slobbering monsters or malicious predators who include humans and D-Bees among their prey. All giving you plenty of spice to add to your characters and adventures. And each comes with a map that shows at a glance exactly where to find these beasts.

The Rifts® Bestiary, Volume One

ships early November.

Volume Two

end of November or December.

- **Monsters and animals of Rifts North America organized in two big, easy to use sourcebooks.**
 - **Updated descriptions and information for existing monsters.**
 - **Updated and uniform stat blocks.**
 - **New predators, exotic riding animals, beasts of burden, alien horrors, giant insects and more.**
 - **A map for every creature showing where it is found.**
 - **Fully illustrated, much of the art by Charles Walton II, along with Siembieda and many others.**
 - **192-224 pages each volume – \$26.99 retail – [Cat. No. 896](#)**
- (Volume One),**
[Cat. No. 897](#)
(Volume Two). In production. Release Date: Early November.

UPDATE: Garden of the Gods™ – A Palladium Fantasy Sourcebook ®

Matthew Clements is still adding to his considerable contributions to [Garden of the Gods](#) before turning it in to Palladium. Matthew has also started work on another Fantasy sourcebook and other projects.

The Garden of the Gods is said to be a holy place watched over and even frequented by the avatars of

the gods. According to legend, the god may visit heroes and followers in dreams or in person by an avatar of the god, to be given guidance, inspiration, heroic quests, and gifts of knowledge and magic. More details about this title will follow.

- **The Garden of the Gods described in detail.**
- **Godly insight and visitations.**
- **Gifts of magic and knowledge.**
- **Sanctuary and more.**
- **The Black Pit, a place of evil and dark secrets. Is it a counterbalance to the good of the Garden or a trick of the Old Ones?**

- **Final page count and price yet to be determined, but probably 96 pages – \$17.99 retail – [Cat. No. 475](#). A winter release.**

UPDATE: In the Face of Death for Dead Reign ®

I spoke to Nick Bradshaw about the art and some ideas and expect to plunge into finishing [this book](#) as soon as the Bestiary books are done. Cannot wait.

UPDATE: Rifts® Antarctica

manuscript to ensure that

possible.

Anthony Moravian

Charles Walton II Artwork,

Toys and Collectibles “on sale” now in Kevin’s Online Toy & Collectibles eBay Store along with other good things

For the first time ever, **Charles “Chuck” Walton** has decided to offer a dozen or two dozen pieces of original artwork via [my online store](#)

.
All money goes to the artist.

Includes original art from **Rifts® Sovietski, Secrets of the Atlanteans, Rifts® Chaos Earth® Resurrection**

and others. This is a fun and unique opportunity to get some of Chuck's art other than having to attend one of the few conventions where Chuck is a guest. He sold a good number at Gen Con and was wondering how he might make his art more available to people. I suggested trying my online store. Most prices range from \$50-150, with a few more expensive pieces. Artwork make a great gift for the hard to surprise gamer. Enjoy. Chuck says thanks.

Other one-of-a-kind original artwork available by *me* (Kevin Siembieda), Kevin Long, Mark Evans (money goes to the artist), as well as prints, limited edition hardcovers, proofreader copies, out of print items, Star Wars toys, Marvel toys and many other toys and collectibles from my personal collection. Alex and I will keep adding items as our busy schedules allow, but we have a lot of fun collectibles available now and coming soon. Hundreds of items. Take a look every weekend for new additions.

Available now: One-of-a-kind book negatives. Negatives were very popular items at the Palladium

Open House and people went crazy over them at Gen Con – including actor *Joe*

Manganiello

who scooped up a pile of TMNT negatives, while Palladium's own *Mark Oberle, Carmen Bellaire, Brandon Aten*

and a whole lot of Palladium gamers went for negatives from Rifts® New West, Lone Star and Free Quebec. Fun.

Negatives are unique and attractive, one-of-a-kind (on rare

occasions two-of-a-kind if a page was replaced or a second edition was made) works of art that resemble *woodcut art* and are very dynamic conversation pieces. Before digital printing, pages of a book were laid out by hand on a board, and each page was photographed. The *plastic film negatives* were then “ganged” on a massive sheet of Mylar 16 pages per big sheet, and the printing plates were made from the negatives – everything white, printing black.

When our printer, *McNaughton and Gunn*, went completely digital, they asked if Palladium Books wanted the negs, otherwise they would be destroyed. Regrettably, I let a few dozen be destroyed, but the negatives of many books were sent to Palladium. They have sat in our warehouse for years until I started to offer them for sale. I have also started signing the negatives in silver and each comes with a *Certificate of Authenticity*. Each negative comes on a white board inside a plastic magazine bag and looks fabulous framed! Fits

in an 8x10 inch matt opening in a frame (each neg is roughly 8½ x 11 inches).

Closing Thoughts

This has been a little bit of a crazy

week. Trying to write the [Rifts®](#) [Bestiary](#) , and it is coming along wonderfully, but I also spent time speaking to a number of Palladium freelancers since our last Update – *Carmen Bellaire, Matthew Clements, Brandon Aten, Nick Bradshaw, Mark Dudley, Anthony Moravian, Todd Spencley* , and *Ben Rodriguez* , among others. In addition to moving product along, it was great talking with everyone. I've been so busy for so many months, I have not spoken to many of our regular

crew of freelancers since the Open House in April. Everyone is doing well and pumped up about the Palladium projects they are working on.

Then there were a number of unexpected business opportunities. Some involved advertising and promotion, a couple were about potential new products, one was a line on a possible new distributor in Australia, and one was the launch of the [**Palladium Horror Bundle of Holding**](#) . We had made

arrangements for such a Bundle with Allen Varney a couple months ago, but we didn't know it was going to launch *th*
is week

. No worries, we sent out notices to you all right away, and again in this Weekly Update. The Horror Bundle makes perfect sense with this being October,

Walking Dead

Season Nine starting (first episode was pretty good), and Halloween coming up fast. Enjoy the

Palladium Horror Bundle of Holding

and order sooner than later to get

lowest price and the best deal.

That's it for this Update. Enjoy the Horror Bundle Sale, keep the faith and game on!

considerable

contributions to **Garden of the Gods** before turning it in to Palladium. Matthew has started work on another Fantasy sourcebook and other projects.

The Garden of the Gods is said to be a holy place watched over and even frequented by the avatars of the gods. According to legend, the god may visit heroes and followers in dreams or in

person by an avatar of the god, to be given guidance, inspiration, heroic quests, and gifts of knowledge and magic. More details about this title will follow.

- The Garden of the Gods described in detail.

- Godly insight and visitations.

- Gifts of magic and knowledge.

- Sanctuary and more.

- The Black Pit, a place of evil and dark secrets. Is it a counterbalance to the good of the Garden or a trick of the Old Ones?

- Written by

Kevin Siembieda.

- **Final page count and price yet to be determined, but probably 96 pages – \$17.99 retail – Cat. No. 475.**
