

## By Kevin Siembieda

Wow. I cannot believe it is December already. Man, time flies, especially when you are working like a maniac.

I hope everyone had a fun and joyful Thanksgiving holiday week and didn't exhaust themselves shopping. I actually took most of the weekend off, for a change. The rest did me good as I came back to work revved up and writing away.

With Christmas around the corner and a desperate desire for good cheer in these uncertain times, I want to keep this Weekly Update short and positive, focusing on the most immediate news and product releases.

### Two new books are finally here!

**UPDATE: Robotech® The New Generation™ Sourcebook *ships tomorrow* – Friday, December 2.**

We were expecting the book sooner, but our printer was backlogged and there was a slight delay. We'll be busy packing and shipping tomorrow afternoon. Anyone who has placed a pre-order will see their book put in the mail on Friday.

We are very excited about **Robotech® The New Generation™ Sourcebook**, especially that it offers the ability to play mecha and O.C.C.s from

*ALL*

eras of Robotech® in one setting against the Invid. Just think about the possibilities of Veritech Fighters, Destroids, Battroids, Hover Tanks, Cyclones, and "Frankenmecha" – giant robots combined with the limbs, weapons and body parts of two or more mecha – all working together to stop a common enemy. Epic. Plus, there is more information about the Invid, rules for creating Frankenmecha, vehicle combat and crash damage as well as stats and descriptions for new weapons, new vehicles, seven new O.C.C.s (including Invid Genetics and Cyborg Experiments, Invid Princes and Princesses and Resistance Fighter O.C.C.s), key characters from the TV show, world overview, great art and more. Ships December 2.

**UPDATE: Rifts® Path of the Storm™ – Ships Monday or Tuesday, next week.** I checked with our printer, and we are on track for this book to ship next week. I hope Rifts® fans pick up this very unique product. Those of you who keep asking for

*Rifts® novels*

should especially enjoy this book as the movie script reads very much like a good novel. For those of you who don't know,

**Rifts® Path of the Storm™**

is

*Matthew Clements'*

full screenplay that he wrote on spec for the

**Rifts® movie**

, and it's good. Real good. So good I decided to publish it, but only after we added game stats for three new demons, key villains and several heroes from the script. I also did an introduction about some of Palladium's Hollywood experiences. It all adds up to a fun to read, behind the scenes insight, and game material for you. Cat. No. 305, 96 pages. Ships December 5 or 6.

**UPDATE: Rifts® Lemuria.** This epic sourcebook is even cooler and packed with more great source material than I originally thought. You will love this book. I continue to tweak, retool and add material as the book goes into the final editing phase. This book is packed with cool ideas, many new Biomancy magic spells, Ocean Magic spells, Millennium Tree items, aquatic riding animals, sea monsters, sea dragons, living armor and weapons, symbiotic organisms, information about the Lemurian people, their floating cities, and more. Getting it to the printer in the next week or two remains our top priority. I'm hoping it will be an end of December release (depends on our printer's turn-around schedule).

**UPDATE: Dead Reign™ Sourcebook 3: Endless Dead™.** This is going to be another book that will surprise and create bone chilling amazement. The 96 page sourcebook presents zombies like you have never seen them, 7 new types of them, 5 new survivor O.C.C.s including the Wheelman and Zombie Hunter, vehicle armor rules, many encounter tables, adventure tables, what the military is doing and more. A December release.

Can't get your zombie fix fast enough? Order the 11x8½ inch or 17x11 inch *Endless Dead™ zombie print*

by artist

*Mike Mumah.*

The frightful zombie horde depicts the Palladium staff and notable freelance artists and writers; 36 of us in all. Scary and fun. All zombie prints are signed by me and the rest of the Palladium staff. The prints may be requested in

*Christmas Surprise Packages*

but only some requests will be honored and you are most likely to get the small, 11x8½ inch version. You can also request a

*staff photo*

with us as zombies. (Our drawn heads from the print superimposed on our photographed bodies. Silly fun.)

**About Palladium's new releases.** I know some of you are frustrated with Palladium's lack of new products and a release schedule that has gotten pushed back all year long. Me too. I apologize for the delays. If we could have gotten them out sooner, we sure would have. It has been another crazy year with Alex's house fire and serious illness (now under control), other friends battling life-threatening illnesses and several other things happening behind the scenes, including some health issues of my own. All of this contributed to the delays, but we're starting to rock 'n roll now. Be excited, we are.

The reasons for the delays do not really matter. Rather, I hope people focus on the fact that books are coming out. Great books. Titles that will challenge your imaginations. And new release should continue on a regular basis. My goal remains to see at least one new release *every month*

from this point forward. Books that should make your eyes open wide with amazement, lips curl into a smile and leave you hungry for more. Help us keep these releases coming by gobbling them up when they come out and spreading the word about how much you enjoy them.

**Online sales have improved, but remain worrisome.** Sales have picked up, but remain unpredictable. In these uncertain times that's reason to worry. We're hoping December sales skyrocket over the next few weeks, carrying us into the New Year like a runaway freight-train. ;)

**Palladium's Christmas Surprise Package is** the best deal of the holidays. \$80-\$90 (or more!) worth of Palladium Books product for only **\$38**  
*plus shipping and handling.*

A minimum of

*eighty dollars (\$80) retail.*

Sometimes much more! Santa Kevin often packs in \$90-\$100 worth of goodies. It is our way of saying thank you to our fans and putting smiles on the faces of gamers around the world.

**Offer ends December 23, 2011.**

Three weeks till Christmas – and you need to factor in at least 3 to several days in transit – which means

[order your Grab Bags](#)

SOONER than later.

**BIG SALE on Kevin's Online Toy & Collectibles Store.** Alex and I put a couple dozen new "Palladium" items (books, proofreader copies of books, artwork, prints, and other rare stuff) into the store this past week. There are also a lot more toys and action figures. We will try to add some more Palladium collectibles before Christmas. All items are from my personal collection and are generally in very good to mint condition. The store's current sale (all items are 20% to 30% LESS than the usually low prices) ends December 12. Check it out.

<http://stores.ebay.com/kevinstoys-artandcollectibles>

Order the two new books and let us know what you think of them. **Rifts® Lemuria** will follow hot on their tail, with

**Dead Reign Sourcebook 3: Endless Dead**

and the

**Rifts® Vampires Sourcebook**

shortly after. I plan to put your imaginations into overdrive with new releases in the coming weeks. Meanwhile, think holidays and order your Surprise Packages before it is too late.

– *Kevin Siembieda, Publisher, Writer and Surrogate Santa*

**Time is running out!**

**You have only 3 weeks to get a Palladium Christmas Surprise Package.**

**Offer ends December 23, 2011**

One of the *best holiday deals anywhere* is right here: [The Christmas Surprise Package](#) – \$80-\$90+

worth of merchandise (

*often*

more!) for only

**\$38**

plus shipping and handling. And you also get autographs in every book if you want them and the element of surprise with your wish list. Heck, the Palladium Christmas Surprise Package may be the “very best gift” money can buy, period! At least for gamers.

Buy one or several as gifts for your friends or for *yourself*. Use it to get books on the cheap to fill in holes in your gaming collection, try new RPGs and game settings, or get back issues of

**The Rifter**

®, or get original art, art prints and autographs. Surprise your fellow gamers with one choice book

or

a big pile of books for Christmas thanks to Palladium’s Surprise Package. Can you imagine the look on your friend or loved one’s face when you hand him or her a pile of role-playing products worth \$90 (or more) . . . with autographs? And you only paid \$38 (plus shipping and handling). Word it right and you may get a Surprise Package that has enough items to give to two or three friends.

No other game company offers an opportunity like this. And for a lot of people this is the only way to get books *signed* by some of the creators and Palladium staff. What are you waiting for? Order yours today. :)

[Click here](#) to order yours today.

**Shipping guidelines to consider when purchasing ANY items as gifts for the holidays:**

**Media Mail:** This is the most inexpensive method of shipping. HOWEVER, please be advised that Media Mail takes 3-14 days at the best of times. During the holiday season it takes more like 5-24 days, so do NOT use Media Mail after December 7 if you *need your* Palladium order

before

Christmas! Order later and it may arrive AFTER Christmas. Media Mail is also much more likely to get “lost” in the mail.

**NOTE:**

Any order shipped

*Media Mail*

that is “lost in the mail” is YOUR loss, not Palladium Books. Your order will NOT be recreated. YOU use Media Mail – the most unreliable of shipping services – *completely at your OWN risk*. We strongly recommend UPS or Priority Mail.

**Priority Mail:** This is a very reliable method of shipping. It is supposed to take three days, and usually does, but sometimes 4-5 days during the Christmas season. Note that orders shipped via the US Postal Service cannot be traced or tracked.

**UPS Ground** takes 1-3 days to deliver to most places east of the Mississippi. 4-5 days to those of you West of that dividing line, so those living out west should take that into account. Orders shipped via UPS can be tracked at any time and the contents are insured if lost. This early before Christmas there is NO NEED to have orders shipped via 3-Day or 2-Day UPS.

**UPS 3rd Day Service:** Guaranteed to arrive 3 days after being shipped. REMEMBER, it can take one or two days for your order to be processed and shipped. This is definitely the case when you place an order on Friday, Saturday or Sunday. We cannot process your order till Monday and that means it ships on Tuesday.

**To expedite your order,** PLEASE make your *Wish List/Special Wants* clear, include 8-12 currently *available* books/items, and make certain your address is complete and correct. We MUST have a *complete street address* including Apartment Number to ship via UPS. UPS cannot ship to a P.O. Box (see Priority). If you give us the wrong or incomplete address and the order gets lost – the loss is yours. Palladium cannot replace the order as a result of *your mistake or omission*.

. Remember, we are packing

**Christmas Surprise Packages**

full, often with \$85-\$100+ worth of product, and Palladium cannot afford to send the package out *twice* due to *your*

mistake. We hope you understand. Likewise, numbered, limited editions and original artwork can NOT be replaced if lost. BE CAREFUL, send your complete, current address – including your apartment number – and use a reliable, trackable and insured method of shipping like **UPS**

**Note to Customers Outside the U.S.A.:** 1. You, the customer, are responsible for any and all *duty, taxes*

or

*Customs fees*

. Books have the lowest fees and duty, but they can still be costly (typically around \$20-\$30).

**2.**

Palladium Books is not responsible for any delays at Customs. We cannot guarantee time of arrival, so give yourself a few extra days. International Priority Mail should arrive within 5-7 business days, but give yourself a little extra time to be safe.

**3.**

Palladium charges you ONLY for ACTUAL postage plus a small handling fee. We are a small company and can

not

offer the low or no shipping that big companies like Amazon are able to provide. We hope you understand.

**Starting December 5th, Palladium Books processes *Christmas Surprise Package* orders EVERY day (except weekends) in an effort to get them to you *before***

**Christmas. Have a wonderful and joyous holiday.**

## **Fan Comments from Christmas Grab Bags**

During the holiday season, we like to let you see some of the many comments we get with the **Christmas Surprise Packages**.

It's a nice way to acknowledge some of our fans and to share with you the kinds of words we hear from gamers throughout the season. We show only initials as some people would rather keep their identity private. Our thanks for your kind words of appreciation and encouragement. This time around, I reply to the comments.

We are happy to do the *Christmas Surprise Packages* and spread a little joy and fun around the globe. It is a privilege and an honor to touch so many people with our games. The Surprise

Packages are our way of giving back and saying thank you to our legion of amazing fans. Game on!

**B.C. in Lancaster, California, writes:** Thank you for giving us a much more entertaining game system than the dull D20 junk. The only thing I would love to see in the near future is the **Land of the Damned™ Three**

, and a sourcebook for the

**Old Kingdoms**

™.

**Palladium Fantasy**

® is still much loved and the land needs to be finished.

[I plan on doing Land of the Damned 3 in 2012. – Kevin]

**E.W. in Belleville, New Jersey, writes:** Keep doing what you are doing, and have fun doing it.

[Count on it. – Kevin]

Everyone wants to know what’s going on with the **Rifts® movie**

Well, this book presents an insight and behind the

scenes info on that front by Kevin Siembieda, plus an entire screenplay written on speculation by

*Matthew Clements*

as well as game stats and artwork for major characters in the script. Kevin was so impressed with the writer's screenplay that he had Matthew make changes and improvements and sent the second draft to

*Jerry Bruckheimer Films*

for their consideration. Meanwhile, Matthew and Kevin hit it off and the next thing he knew he became Palladium's new staff writer.

We thought it would be fun to let Rifts® gamers and Palladium fans see the type of **Rifts® movie** we at Palladium Books would like to see made. So we are presenting Matthew's screenplay as a

**proposed Rifts® movie script**

and

**Rifts® sourcebook**

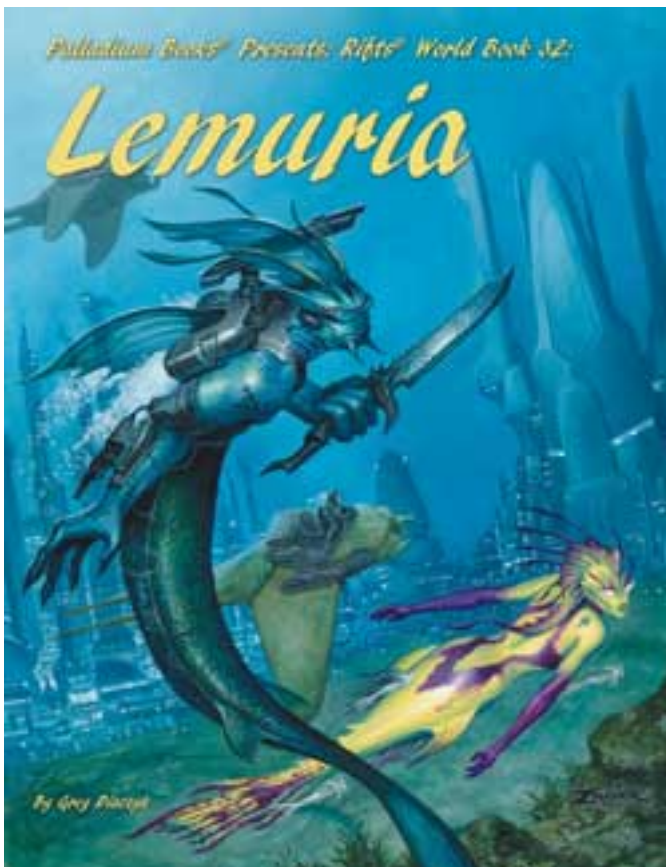

. The screenplay is a fast, fun adventure story that is sure to please Rifts fans. To make it more fun, the author has statted out the key characters in the script and gamers can use the heroes, villains and story ideas in their own campaign should they choose to do so.
