

By Kevin Siembieda

A big summer of hot releases from Palladium Books

That's the goal. And we'll be working our backsides off to make it a reality. I'm sure there will be some delays, but they should be short ones. I'm looking to release the following by Gen Con® – which starts August 16, 2012:

- [Rifts® Vampires Sourcebook](#)
- [Rifts® Black Market](#)
- **The Rifter® #59**
- [Robotech® The Genesis Pits™ Sourcebook](#)
- [Rifts® Northern Gun™ One](#)
- [Rifts® Northern Gun™ Two](#)

With a little luck, **Rifts® Megaverse in Flames™** will follow hot on their heels. These titles are to be followed by sourcebooks for the **Palladium Fantasy RPG®, Beyond the Supernatural™, Splicers®** and **Chaos Earth™** in the Fall, with more support for ALL game lines in 2013.

This week has been going very well as we work to clear our schedule so we can knock out one new release after another.

UPDATE: Rifts® Vampires Sourcebook

While I had done a little of this and that on the Rifts® Vampires Sourcebook, I have finally dived into it with both feet. From this point forward, I hope to spend most of my time writing one book after another. This has most of the material that

was left out of Vampire Kingdoms: Reid's Rangers, Doc Reid, Fort Reid, Camazotz, the Yucatan, Werebeasts, more on the Vampire Kingdoms, Vampire Hunter Slayers (vampire henchmen who hunt and destroy Vampire Hunters!), and other good stuff. All updated and expanded. **FYI:** Traveling shows appear in Rifts® Black Market.

UPDATE: Rifts® Black Market Sourcebook

I've started assigning the artwork for this book. It is packed with good stuff.

UPDATE: Northern Gun™ One

Chuck Walton has been working on the art for the two Northern Gun books for months. I'm told Robots should be finished by the weekend and I should be seeing the finished, tight pencils for the wraparound cover any day. I will be assigning the rest of the artwork for this book soon.

The Northern Gun™ One – Megaverse® Insider

crowdsource funding offer starts next week on

June 7

and runs til

June 25, 2012

. This is your chance to get your name listed in the book and acquire items made available exclusively for the Megaverse® Insider crowdsource funding offer. Items such as a PDF of the book, limited edition hardcovers and so on.

UPDATE: Northern Gun™ Two

Same story as above. Chuck has been working on the interior art, John Zeleznik has been busy working on the cover and I expect to see the tight pencils for it any day now. I also need to assign the rest of the artwork. **FYI: Northern Gun™ Two – Megaverse® Insider** crowdsource funding offer will take place in **July, 2012**

. It will be structured very much like the Lemuria offer. Full details for both Insider offers have yet to be finalized.

UPDATE: The Rifter® #59 & Rifter® Submisisions

Wayne has begun selecting material for **The Rifter® #59**

. Art assignments will follow. Out thanks to those of you who have submitted material for our consideration.

UPDATE: Robotech® The Genesis Pits™ Sourcebook

When I'm not working on **Rifts® Vampires Sourcebook** I'll be working on **Robotech® Genesis Pits**

. Art assignments should be going out this weekend.

UPDATE: Rifts® Megaverse® in Flames

No change on this title yet. I've gone over the manuscript, broken it down into sections, done a few bits and pieces of editing, and will be assigning art for it by the end of June. This book will knock your socks off.

UPDATE: I'm still calling Lemuria Benefactors & Ultimate Insiders

I was unable to call everyone I had hoped to call over the Memorial Day weekend, though I did leave messages for almost everyone. Most of you were out having Summer fun and enjoying what I hope was a gorgeous weekend with family and friends. I did speak with 6-8 people over the weekend and I have been enjoying my conversations with EVERYONE I've spoken to so far. I look forward to speaking with the rest of you by the end of the weekend. At least that's the plan.

UPDATE: New PDFs now available on DriveThruRPG.com

[The Rifter® #51](#) and [#52](#) are now available on [DriveThruRPG.com](#)

and we may be adding a few more items in

the weeks to come.

[The Rifter® #49](#)

and

[#50](#)

were added just last week, and all issues #1-52 are currently available. We're also continuing to move forward with plans for the PDF only editions of

The Rifter® #0.1

and

The Rifter® #0.2

– both are big, juicy digital editions of new, fan created material for the Palladium Megaverse® of games.

Don't forget, DriveThruRPG.com also offers the **[Rifts®](#)** and **[Palladium Fantasy®](#)**

Game Master Kits

(both written by

Carl Gleba

and complete with maps, combat matrix, character sheets, spell list, and 20 pre-rolled characters created by

Julius Rosenstein;

\$5 each), and FREE Sneak Previews of

[Endless Dead](#)

™,

[Rifts® Lemuria](#)

,

[Rifts® Vampire Kingdoms](#)

™, and

[Thundercloud Galaxy](#)

™, as well as 90+ back stock titles, including back issues of

The Rifter

®, and first edition rule books for

Rifts®, Palladium Fantasy RPG®, Heroes Unlimited™, The Mechanoid Invasion®

Trilogy

, and lots of other good things. ALL

available as PDF downloads at reasonable prices. And there is MORE to come.

UPDATE: Online Sales

I'm afraid the *Memorial Day Weekend* sent sales into a tailspin, making them the worst weekend sales of the year. Maybe the worst weekend ever. Yikes. We assume everyone was out enjoying a long weekend with family, or taking advantage of the million Memorial Day sales. The rest of the week, so far, has been better but very slow. Hey, slumps happen and we typically see a seasonal slump just before it picks up for the Summer. Don't forget, we have all kinds of recent book releases, reprint titles, and new non-book products. I know gamers are hungry for new product and that is a good sign, especially since we have a lot of great

new items coming your way.

UPDATE: Kevin's Online Toy & Collectibles Store

Alex and I continue to add a bunch of Palladium collectibles as well as a large number of collectible toys and action figures to my online store. More will be added all weekend long as well as more new items every few days for the next several weeks. Right now they include proofreader copies of books, Palladium gold editions, some artwork, some art prints, and other good stuff. Most Palladium items are signed by me, Alex and other Palladium creators. We'll keep them coming if you keep buying them. <http://stores.ebay.com/kevinstoys-artandcollectibles>

UPDATE: Gen Con® Indy – Booth 1125 – August 16-19, 2012

I'm not sure why, but I'm more excited about Gen Con Indy this year than I've been in a long time. It's probably because of all the new releases we should have available by then.

This year's lineup of Palladium troublemakers available to chat with you and sign books include: *me (Kevin Siembieda), Wayne Smith, Matthew Clements, Charles Walton, Brandon Aten, Sarah Aten, Mark Oberle,* and possibly a couple of others. We are

looking forward to seeing old friends and making new ones. If you are coming to Gen Con® Indy, make sure you stop by the

Palladium Booth, #1125

.

Enjoy Videos of Palladium Creators

Want to see what kind of goofballs we really are? Then check these out. ALL 24 of these video interviews are on YouTube and waiting for your enjoyment.

Carmen Bellaire and *Wyll Johnson* conducted short video interviews of Palladium artists, writers, staff and personalities at the Palladium Open House. They are fun and worth watching. Carmen hopes to post a few other Open House videos this weekend, including at least some part of my opening ceremonies. Each video is 8-10 minutes long and include chats with *Amy L. Ashbaugh, Nick Bradshaw, Mike Mumah, Chuck Walton, Brian Manning, Allen Manning, Brandon Aten, Irvin Jackson, Mike Leonard, Mark Oberle, Wayne Smith, me* and many others. Check 'em out at **[youtube.com/user/Maloquinn](https://www.youtube.com/user/Maloquinn)** – you can also read my **[2012 Palladium Open House Report](#)**

and see photos for more insight and info about the event.

REMINDER: The Palladium Website

We'll be doing some routine maintenance, and making upgrades and changes behind the scenes over the next few weeks. That means it is a good time for you to offer suggestions on things you might like to see added, changed and improved on the website.

UPDATE: Northern Gun Megaverse[®] Insider starts June 7, 2012

I'm surprised at how many of you seem to be anxiously awaiting our Northern Gun crowdsource funding opportunity. To help fund and facilitate new Palladium products and growth, we will continue to offer new **Megaverse® Insider** crowdfunding opportunities. Such crowdfunding will be reserved for major releases like Northern Gun One and Two and new ventures into new markets and mediums. Money made above and beyond our projected goals for the specific project is applied to paying off debt, increasing promotion and advertising, and other new products.

The next Megaverse® Insider offers will be for the two **Northern Gun Rifts® World Books** – the first of which kicks off on June 7, 2012. More on it next week.

Palladium's Megaverse® Insider offers, in effect, *sell you* an array of special items that are NOT generally available to the public. Product available only to Megaverse® Insiders and only for the limited 2-3 week period of that specific Megaverse® Insider offer. "Insider exclusive"

products include your name listed in that book as one of the “Insiders” who made it possible, a very limited edition hardcover, a more limited edition, collector’s hardcover foil edition, a PDF version of the book, and special combination packages that may include limited edition prints, original artwork and a call from me, Kevin Siembieda, for a brief chat.

We try to make these special Megaverse® Insider products and opportunities special and worthwhile. This is not a charity, it’s the sale of unique items and opportunities that

we hope have sentimental and financial value to *you*, as well as a means to help fund *the production* of the specific book/project. We hope that in a few years, those limited edition hardcovers, for example, are worth 2, 3 or 10 times what you paid for them. After all, they are printed to your exact orders plus a few dozen extra. (Both of the Rifts® Lemuria hardcovers were under 200 copies. That's a limited press run!)

Have a nice weekend. I'm happy to report that I'll be writing away all

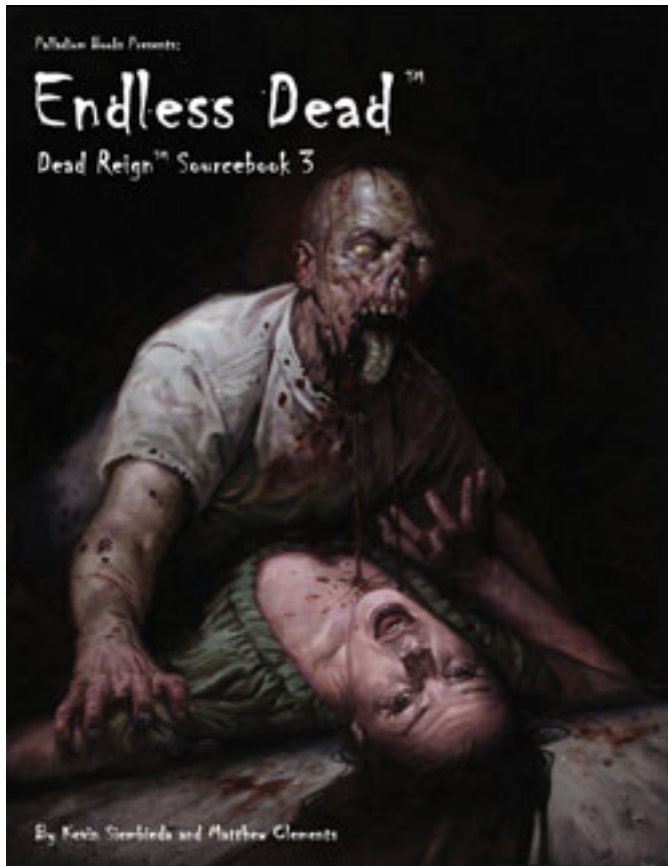

weekend, taking breaks only to call
Benefactors

and

Ultimate Insiders

from the last Insider crowdsource
funding. Have a pleasant weekend
and keep those imaginations burning
bright.

Rifts® World Book 33: Northern Gun™ One – New

Northern Gun™ is the
largest independent

manufacturer of high-tech weapons, robots and vehicles in North America. Outside of the Coalition States, one could argue, no other kingdom is as powerful or influential, at least when it comes to technology and weapons. The manufacture and sale of

Northern Gun weapons and vehicles has given virtually every kingdom, town, colony of settlers and adventurer group a chance to survive and prosper. Located in Michigan's Upper Peninsula, NG has been the premier outfitter of mercenaries, adventurers and upstart

kingdoms for generations. Now, for the first time ever, learn Northern Gun's history, goals and plans for the future. Of course, that means new weapons, robots, power armor, vehicles and gear.
