The response to the **Rifts® Lemuria Megaverse® Insider** was everything we could hope for it to be, with support topping out at around \$30,841.00.

You have no idea how much this has re-energized everyone at Palladium, from staff to freelancers. There is excitement in the air and I am feeling highly motivated. I think all of us are. I'm in high gear and keeping everything moving forward.

All of the following has happened since the last Weekly Update . . .

UPDATE: Alex. Alex is doing well after the unexpected death of his brother-in-law. His sister and four nieces (ages 16-26) are dealing with the loss as best they can, and the tragedy has seemed to bring members of the family closer. At work, Alex has been surprisingly focused and productive. Like I said, the success of the **Rifts® Lemuria Megaverse® Insider** has all of us motivated and in high gear. Alex has also been loving the **Rifts® Lemuria** pages I've been turning over to him for editing.

UPDATE: Me. I am laser focused on completing books and getting them to the printer and into your hands, one after the other. When I do take a brief break from writing, I continue to work on keeping a dozen other projects, large and small, moving forward.

UPDATE: Behind the Scenes at Palladium. Things are rocking at the offices of Palladium Books. We accomplished all of the following just this week:

□ I've been pounding out pages for **Rifts® Lemuria**.

□ I received and approved five additional pieces of art for **Rifts® Lemuria** from *Chuck Walton* and await two others from *Nick Bradshaw*.

□ I assigned artists to illustrate the cover art for . . .

- **Rifts® Black Market™**
- **Rifts® Northern Gun™ One**
- **Rifts® Northern Gun™ Two**
- **Robotech® Genesis Pits™**

□ *Chuck Walton* and I had two meetings this week to discuss the art and design approach for the two **Rifts® Northern Gun™** books.

□ I've been lining up artists for upcoming releases, including the four listed above plus others. I'll be assigning interior art for several titles next week.

□ Wayne and I ordered materials for producing, bagging and selling new **Rifts® minis**. I think we'll be offering the first batch of reissued minis next week.

□ **For Megaversal Ambassadors**. Wayne and I designed, and sent to the printer, color ID cards for our Megaversal Ambassadors. MAs, make sure we – Palladium Books – have your contact information so we can send you some. We are also kicking around an MA T-shirt, but no promises. MAs, do we have your T-shirt size?

□ I met with *Carmen Bellaire* on Monday and Wednesday to discuss the re-release of out of print **Rifts® miniatures** like the *Glitter Boy*, *Cyborgs* and *Coalition Soldiers* as well as a dozen *new*, NEVER BEFORE RELEASED Rifts® miniatures. We'll probably be releasing these as single figures at around \$6-\$7 each.

□ **Rifts® (and Robotech®?) Miniatures.** *Carmen Bellaire* and I also continue to discuss the feasibility of releasing a **Rifts® and/or Robotech® miniatures game** even if it's on a limited basis to start. Let us know whether you might be interested in such products.

□ In addition to Carmen's efforts, Palladium has been approached by two different people about making a **Robotech® miniatures** game. We are currently entertaining the possibilities.

□ **More Robotech®.** Harmony Gold surprised us out of the blue with the legendary **Imai Files** – pre-production concept art from Mospeada and Southern Cross – for our consideration in upcoming Robotech projects. All I can say is: Mind blowing and inspirational beyond anything we could have imagined. Wow. It's making us seriously reconsider what should be in the UEEF Marines book.

□ **I meet with Mark Dudley on Friday** to discuss art for upcoming books and comic book projects. Trying to line up a color artist at a reasonable price at this very moment.

UPDATE: Online sales. This is the fourth week in a row of outstanding sales. Please keep standing behind us, order those back stock titles you've been meaning to get, the art prints, bookmarks, and T-shirts, and place pre-orders for upcoming releases. Oh yeah, and think about

coming to the [2012 Palladium Open House](#). The money raised by the *Megaverse® Insider* is fantastic, but man, oh man, it is going fast. I mean, a little more than half goes to production of Rifts® Lemuria, a portion is getting a handful of out of print titles back in stock, and the rest will help get us caught up with bills. That having been said, things remain positive and exciting.

UPDATE: New! Palladium Bookmarks, Set Two. Wayne and I have designed and sent the next set of Palladium Bookmarks to the printer. They look awesome and feature **Chaos Earth™, Phase World®, Nightbane®** and **Beyond the Supernatural™**. See the description elsewhere in this Weekly Update.

UPDATE: BACK IN PRINT – Rifts® Dimension Book 5: Anvil Galaxy™. This ever popular Phase Worlds®/Three Galaxies™ title is sitting in our warehouse and ready to ship. See the description elsewhere in this Weekly Update.

UPDATE: BACK IN PRINT: Rifts® Sourcebook 3: Mindwerks™. Folks have been asking for us to get this title back in print, so here you go. It is at the printer and will be ready to ship on Tuesday. Order yours today. See the description elsewhere in this Weekly Update.

UPDATE: More out of stock titles coming back in print. Additional fan favorite titles will be sent to the printer for short-run printings. They include **Wolfen Empire™** (for Palladium Fantasy®), **Mutant Underground™** (HU2), **Rifts® Mercenaries, Rifts® Splynn Dimensional Market™**, and other out of print books. I'm hoping to do one or two a week over the next month or so.

UPDATE: Rifts® Lemuria. 1. I've been working on the book like mad and have been pounding out pages like crazy. **2.** I have finally finished with the section on Biomancy spells – which was a monster, but is pretty damn awesome.

3. I finished the section on Lemurian Bio-Armor and man are you going to love this stuff!

4.

These and other sections have been edited by Alex and are currently in Wayne's hands for a final edit.

5.
Chuck's additional art for Lemuria was turned in this week and it continues to knock our socks off.

6.
Final writing and editing is going at a good pace now. Typesetting and layout should start next week sometime.

UPDATE: Dead Reign™ Sourcebook 3: Endless Dead™. I'm champing at the bit to dive into this book. It is next on my list. Still looking at a March release.

UPDATE: Rifts® Vampires Sourcebook. Immediately following Endless Dead, I wrap up on this hotly anticipated sourcebook. March release is probably tentative, but the final writing should go quickly. All (or most) of the art is done and 65% of the writing.

UPDATE: Rifts® World Book: The Black Market. I assigned the cover to a new artist this week. The book is written by Matthew Clements with additional material by Taylor White, so I expect it to be good and a fast edit.

UPDATE: Rifts® World Book: Northern Gun™ One. I assigned the cover to an artist this week. After careful consideration, that artist is Chuck Walton, and he's talking about doing a wraparound cover. Is there anyone not anxiously awaiting this book? Chuck and I also discussed cover ideas (we have a couple of sweet ones) and design elements for the interior art. An April or May release.

UPDATE: Rifts® World Book: Northern Gun™ Two. I assigned the cover of NG2 to Jazzy John Zeleznik and he's already submitted a sketch for a wraparound cover for it. A dynamic fight scene in the NG Robot Gladiatorial Arena. Like I said, the creative forces at Palladium Books are on fire and pulling out all the stops.

UPDATE: The Rifter® #58. More exciting fan-created material for the Palladium Megaverse. Send in your submission for our consideration. April release.

UPDATE: Robotech® Genesis Pits™ Sourcebook. I'm still waiting to get the final manuscript from Irvin Jackson. April release.

UPDATE: Robotech® UEEF Marines™ Sourcebook. After seeing the original concept art for Mospeada, we may expand and/or completely retool this book. Talk about inspirational. Summer release.

UPDATE: Rifts®/Minion War™: Megaverse® in Flames™. I hope to start assigning the artwork for this book soon. Can't wait to work on it.

UPDATE: Sneak Previews on DriveThruRPG.com are coming soon. The one for **Rifts® Lemuria**

should go up by the end of next week and

Endless Dead

a week or two after that. Don't forget, there are 90+ backstock titles, including back issues of **The Rifter**

®, first edition rule books, other sneak previews and the Rifts® Game Master Kit, all available as PDF downloads at reasonable prices.

UPDATE: New advertising. Took care of three new ads and kicking around new venues. Would like to squeeze out a new catalog soon.

UPDATE: The Rifter® #0.1 (PDF). No word from the contributors yet, hopeful for the future of this project.

UPDATE: Gaming at the Westland Library. The event was small but fun. Julius ran five people in a Rifts® game, I ran six through a **Palladium Fantasy®**

adventure. Two of my players were 11 years old and one was 14. Once they got into it, they were naturals, especial Sean who played a thief. That was interesting, because he didn't seem interested at first and was waffling on playing or not. My thanks to Bill Korsak who came down to run BTS, but we didn't have enough people. Thanks all the same, Bill.

Our next Westland Library event (ages 11-35) will be March 31, 2012. This is a great way to introduce a new generation to Palladium role-playing games.

Sign up by calling the library

at (734) 326-6123 or online at

<http://www.westlandlibrary.org/node/3089>

. The gaming is from 1-4 PM, Saturday, March 31, 2012. The library is located on Central City Parkway between Ford Road and Warren.

Palladium Open House is only 9 weeks away! And coming up fast!! It's going to be epic. A good number of G.M.s have sent in their games the last couple of weeks, but we need more. If you have any questions and Wayne isn't getting back to you, contact Alex or call the office. We need games! Sorry about all those exclamation points, but the POH will be here in no time.

If you're thinking about coming but haven't decided yet, I recommend you do so. The [Palladium Open House](#)

(POH) is always a great time and tons of fun. Will this really be our last POH? It looks like it. Lack of available parking is the main culprit. Even at this year's event we'll be recommending car pooling from the hotel to Palladium. So this may be your last chance to experience the thrills and fun of a Palladium Open House.

Note:

VIP tickets are sold out, but you should put your name on the cancellation list by calling the office order line (734-721-2903). If someone cancels, you'll be contacted and can take their place.

Yep, a lot is going on. Chuck Walton asked me how I manage it all. I smiled and said, "As best as I can."

The truth is, it's all a matter of juggling and keeping all the balls in the air. Of course, things sometimes drop or get put on hold. For example, I have yet to mail out the PR copies and contracts for **The Rifter® #57**, let alone the upcoming issue. I was happy with myself to organize and clear off my desk, but in the process I discovered four

Christmas Surprise Packages

that had never been processed because they got buried on my desk. (Sorry guys!) I wrote them each a letter of apology and loaded up their Grab Bags to make up for the long delay, but sheesh, so sorry that happened. Entirely my fault. Likewise, I've been wanting to write a couple Murmurs from the Megaverse®, post more on Facebook and answer my long languishing

Private Messages, but I've had my nose buried in finishing
Rifts® Lemuria

That's it for now. Have a great weekend, keep those imaginations burning bright and game on.
