Crowdfunder success

The **Rifts Northern Gun™ ONE Megaverse Insider crowdfunding** was another resounding success. As of today, 353
gamers

have "officially" participated in the

Rifts® Northern Gun™ ONE

crowdfunding, totaling

\$27,030.00 in purchases

. Wow. Thank you. That number

may

increase a bit as there were a handful of customers who tried to place an order but encountered difficulties. We have been contacting them via email and waiting to resolve any problems.

We saw about 20 more participants in the **Northern Gun™ Megaverse Insider crowdfunding** than the

Rifts® Lemuria

offer, but there were fewer top dollar participants; understandable in this economy.

My sincere and heartfelt thank you to EVERYONE who has participated in both crowdfunding offers. Your support is very appreciated and will help Palladium Books release new products, reduce debt and grow stronger!

The Rifts® Northern Gun™ TWO Megaverse® Insider offer is scheduled to start *July 12, 2012* . It is

the LAST crowdfunding for this year. As per many of your requests, Palladium is doing the Insider offer on the two related

Northern Gun™ books

as two separate crowdfunding offers a few weeks apart.

New books are coming soon!

Yes, I know we are off schedule on new releases, but we are working on FIVE of them for rapid-fire release, and man oh man, are we on fire. I'm simultaneously writing [Rifts® Vampires Sourcebook](#) and [Rifts® Black Market](#), and making good progress on both.

The next six books should come out in rapid succession.

- [The Rifter® #59](#)
- [Rifts® Vampires Sourcebook](#)
- [Rifts® Black Market Sourcebook](#)
- [Rifts® Northern Gun™ One](#)
- [Rifts® Northern Gun™ Two](#)
- [Rifts® Megaverse® in Flames](#)

When I'm not writing myself, I'm assigning and coordinating artwork and having additional material written by freelancers for the titles above, plus other titles in the pipeline.

UPDATE: Rifts® Vampires Sourcebook

The writing on **Rifts® Vampires Sourcebook** is shaping up nicely, but a bit slower than I'd like. This is, in part, because I've been on fire this week working on

Rifts® Black Market

. I'm working on both titles simultaneously so I can release them a few weeks apart. A July release!

UPDATE: Rifts® Black Market

I'm hot as heck on this title. I have had *Carmen Bellaire* and *Julius Rosenstein* write some additional material for Rifts® Black Market and it is excellent. I also continue to assign artwork to various artists.

Rifts® Black Market

(like all the books in development) is packed with new data, weapons and information that will

make your imaginations soar. A July release!

UPDATE: The Rifter® #59

Alex has finished his editing of **The Rifter® #59** and Wayne is in the last leg of the final editing. Artwork has been assigned, and the book should be going to the printer next week. It's another great issue, with material for

rs **Splice**

Rifts® Xiticix

Techno-Wizardry

across the Megaverse®, the second half of the Kezel for

Heroes Unlimited™

and more. See the full description for it elsewhere in this Weekly Update. A July release!

UPDATE: Rifts® Northern Gun™ One

We've been talking about this book for months, and the crowdsource funding for it was a big success. Chuck Walton continues to finish the artwork for it, I have Carl Gleba and Carmen Bellaire writing additional weapons and equipment, and the book is going to be epic. I'll be seeing more finished artwork today or tomorrow when I have my weekly meeting with Chuck.

UPDATE: Northern Gun™ Two

John Zeleznik sent us the not quite finished cover to **Northern Gun™ Two** to make sure he was on track. Boy, is he ever. It is a wraparound cover depicting the Robot Arena at Northern Gun, and it is looking sweet. We should have the finished cover in a week or two.

Northern Gun™ Two

will be just as epic as Northern Gun One

TM
. It too will be packed with weapons, armor and items that will make gamers squeal with delight, as well as filled with artwork by

Chuck Walton

and others.

UPDATE: Online Sales

With the last leg of the *Northern Gun ONE Megaverse® Insider crowdfunding offer* running through Monday, sales have been fantastic. Even after the crowdfunding ended, sales have remained strong across all game lines. Outstanding. Please, keep 'em coming. And don't overlook the nifty

– both are big, juicy digital editions of new, fan created material for the Palladium Megaverse® of games.

Don't forget, DriveThruRPG.com also offers the [Rifts](#)® and [Palladium Fantasy](#)® **Game Master Kits**

there is MORE to come.

UPDATE: Kevin's Online Toy & Collectibles Store

Alex and I continue to add Palladium collectibles as well as a large number of collectible toys and action figures to my online store. More will be added all weekend long as well as more new items every few days for the next several weeks. Right now they include proofreader copies of books, Palladium gold editions, some artwork, some art prints, and other good stuff. Most Palladium items are signed by me, Alex and other Palladium creators. We'll keep them coming if you keep buying them. <http://stores.ebay.com/kevinstoys-artandcollectibles>

Calling Ultimate Insiders & Benefactors

This week I have been consumed with writing so I have not made calls to the remaining Lemuria Insiders to whom I still owe a call. Likewise, I will call the new Northern Gun One folks at some point too. Let me get a book or two to the printer first. Thanks. YOU are not forgotten. ;) Keep the faith and game on! I truly look forward to chatting with you.

Exciting things continue to boil behind the scenes

Our focus for the next five weeks has to be finishing books and getting them to the printer. Then it's **Gen Con Indy** for a week, and back to the grindstone to get more books finished. As I noted last week, there are a number of things going on behind the scenes that could lead to some big news. I'll fill you in as soon as I can, but it might be a while. In the meantime, we are brimming with excitement about all kinds of new products and secret projects (a few that have been under development for a while) for release in 2013.

Carl Gleba, Greg Diaczyk, Josh Sinsapaugh, Brandon Aten, Carmen Bellaire, Matthew Clements, Irvin Jackson

and
others

are all working on one or more Palladium projects for the future.

I need to stay focused on finishing the writing for **Rifts® Vampires Sourcebook** and **Rifts® Black Market**

, so that's it for this Update. Keep those imaginations burning bright and have a nice weekend.
