

By Kevin Siembieda

I'm gonna keep this Update brief, with a focus on Christmas, because the guys are in the back shipping out several hundred copies of [The Rifter® #71 & 72](#) (and Grab Bags) and I need to get back there to give them a helping hand.

UPDATE: ONLY 6 DAYS till Christmas Eve – Surprise Packages – Offer ends December 24, 2015

Keep those orders coming. The [Surprise Packages](#) don't have to be just for Christmas. And for those that are for Christmas, we will make every effort to get them to you in time!

Those of you east of the Mississippi River in the USA can order a Grab Bag over the weekend and probably still get it in time for Christmas via UPS Ground, but we can NOT guarantee it.

We will do our best to ship every order we receive over the weekend by Monday afternoon. MOST locations in the USA east of the Mississippi River should receive UPS Ground packages in 3 days, so Christmas Eve. HOWEVER, we can NOT guarantee delivery before Christmas unless you use an expedited method of shipping.

Remember, if you don't need your [Christmas Surprise Package](#) by Thursday, Christmas Eve, you can select any method, even

Media Mail

, just expect it to arrive sometime after the holidays. Customers in the USA west of the Mississippi River, you'll need to use an expedited method of shipping to get the Surprise Package by Christmas and even that is NOT guaranteed. I seem to recall a snow storm delaying tens of thousands of packages heading west last year.

See the Shipping Guidelines below.

Are you new to the [Palladium Christmas Surprise Package](#) ? It's usually \$89-\$95 or more worth of Palladium RPG books

for only

\$42 plus shipping and handling

. And because you guys and gals mean so much to us, I often pack in more than \$90 worth of product. Oh, and each book will be signed by me (Kevin Siembieda) and available Palladium staff and freelancers

if you request it

. It is our way of saying thanks to all of you for your support and kindness.

[Surprise Packages](#) are the perfect holiday gift for gamers as well as for upcoming birthdays, anniversaries, or filling in holes in your collection or trying new game settings (**Rifts®**, **Robotech®**, **Nightbane®**, **Dead Reign®**, **Beyond the Supernatural™**, **Heroes Unlimited™**, **Ninjas & Superspies™**, **After the Bomb®**, **Splicers** ® and all the rest). We're happy to put smiles on your faces with these items.

- **A great gift for the gamers in your lives.**
- **Fill holes in your own collection.**
- **Try new game settings and receive cool stuff.**
- **Get autographs from the Palladium crew and available freelancers.**
- **Be surprised when the package arrives.**
- **All items selected and comments read by Santa Kevin, himself. Ho, ho, ho!**
- **Taking orders right up to December 24, 2015.**

**Shipping guidelines for Christmas delivery – 6 days till Christmas Eve.
Order now!**

NOTE: At this point, while the appropriate expedited method of shipping *should* reach you in time for Christmas we do NOT guarantee it, regardless of the shipping method you select. We can assure you that we will process orders (other than Media Mail) as fast as we get them.

- **UPS Ground in the USA** – For those of you who live *east of the Mississippi River* – place your order by **December 20** and you *may*

get it in time for Christmas. Elsewhere, you will not. Those of you living *west of the Mississippi* need to use a faster method of shipping to get your orders delivered by Christmas Eve.

- **Standard Post in the USA** – Arrives in 5-7 business days. You will NOT get your package in time for Christmas.

- **Priority Mail in the USA** – Arrives in 3-5 business days. Place your order by **December 20** and you might get it in time for Christmas, but the odds are against you.

- **UPS 3-Day Select in the USA** – Arrives in 3 business days. Place your order by **December 20** for likely delivery before Christmas.

- **UPS 2nd Day Air in the USA** – Arrives in 2 days. Place your order by **December 21** for likely delivery before Christmas.

- **UPS Next Day Air in the USA** – Place your order by **December 22** for likely delivery before Christmas.

- **Express Mail in the USA** – Arrives in ONE or TWO days. Place your order by **December 22**

- **International Priority Mail – Canada and Overseas** – *You are NOT likely to get your order* in time for Christmas, no matter the method you use to ship. We suggest you do NOT use an expedited shipping method and just expect your order to arrive after Christmas. We hope you understand.

- **APOs** – Sorry, we cannot guarantee delivery time regardless of shipping method. We suggest Standard Post or Media Mail.

- **Media Mail will NOT arrive in time for Christmas.** In fact, it may not arrive until next year some time. Furthermore, *use Media Mail at your own risk.*

Note:

This applies to ALL orders. Media Mail, which applies only to paper goods, is the least expensive method of shipping, BUT also the slowest and least reliable shipping method. The USPS will tell you 4-10 days for delivery, HOWEVER, experience has shown us that during the holidays, delivery time is often more like 7-21 days.

WARNING: Palladium Books is NOT responsible for any delays, damage or lost packages when you select

Media Mail

from this point forward – use it at your own risk.

NEXT WEEK Palladium will try to ship out morning and *early* afternoon orders the same day we receive them , but we still cannot guarantee delivery in time for Christmas. And once the package leaves our warehouse, it is out of our control.

Please make sure your address is complete (include Apt. Number) and your order is clear.

Surprise Package comments from fans like you

Every year there is a section where the customer can offer comments and suggestions with his or her [Surprise Package](#) order. Every year, in acknowledgment of our fans, and

because they are fun to read, we offer a sampling in the Weekly Updates. Our heartfelt thanks to all of you who have stuck with Palladium through thick and thin. Keep those imaginations burning bright, have a joyous holiday season and game on.

You have no idea how much your comments and support mean to all of us. Everyone at Palladium enjoys reading your brief comments. They always brighten our day. Thank you. Since I haven't been posting as much as I'd like, I have tried to write a short response [in brackets] when applicable.

G.F. in Louisville, Kentucky, writes: I love getting the chance for a Grab Bag. It's a pretty sweet deal from a company I've been a long-time fan of!

[Thanks G.F., we love doing them. Game on. – KS]

D.F. in Plymouth, Connecticut, writes (in part): These Grab Bags every year are a great deal and very appreciated, thank you. Something I'd like to see is more **Heroes Unlimited™** related prints.

[Glad you enjoy the Grab Bags every year, D.F. As for **H**
eroes Unlimited™,

I want to see all kinds of new HU2 products. As you can see by many of these comments,

Heroes Unlimited™

is getting a lot of love. It is nice to see people rediscovering HU2, because it really does let you create any kind of hero.

Heroes Unlimited™

has been one of the most requested game lines this season,

Rifts®, **Chaos Earth®**, **Splicers**

® and

Nightbane®

, too. And, of course,

Robotech

®. – KS]

C.K. in Payson, Utah, writes: You guys are great. Thank you for all that you do.

[Thank you, C.K., Palladium's awesome fan base makes it all worthwhile. – KS]

N.M. in Sarasota, Florida, writes (in part): It is very hard to pick my favorite game.

Dead Reign®

was the first real role-playing game I played in. That started my hobby of RPG 6-7 years ago. I love the theme and setting. I love zombies, but I also love

Heroes Unlimited™

because of how varied the powers are and how awesome it is to role-play a super villain or hero. I couldn't pick a favorite between those two, so it is really awesome I can mix and match the systems. Thank you... the Palladium game system is my favorite RPG system ...

[Thank you, N.M., for the high praise. **Dead Reign®** and **Heroes Unlimited™**

are two of my favorite settings as well. Thrilled you enjoy them so much and that you are getting into

Rifts

® too. Keep that imagination burning bright. – KS]

J.F. in Miamisburg, Ohio, writes: WHAT A YEAR! My first Palladium Open House. Getting to meet and play with you guys was great, and I learned to appreciate how much you all work for everything. I want you to know your work doesn't go unnoticed. I can't wait till a time when D and I can visit again and pick up more books and

Rifters

®. Spending time with you all, and going to the Open House is among the few high points in a trying year.

[Thanks, J.F. The Palladium Open House was a bright spot for us too. Glad you had a blast at the POH, and thanks for pitching in and giving us a helping hand. Merry Christmas and Happy New Year, may it be a more joyful and prosperous one for us all. Game on! – KS]

J.B. in Norwich, New York, writes: I have been a fan and collector of Palladium products since 1985. I love your books and game system. Keep up the good work and have a happy holiday.

[Wow, J.B., I'm thrilled you have enjoyed our games for decades. Hopefully there are several decades ahead for us. I've got zillions of ideas for new books. Happy holidays! – KS]

[Gosh, D.T., thank you for such powerful words. They mean a great deal to me. It is truly an honor and a privilege to have been able to create games and bring joy and inspiration to so many people over the last 34 years. Happy holidays. – KS]

Palladium Christmas Surprise Packages start NOW!

Can you believe it? It's that time again for the [Palladium Christmas Surprise](#)

[Package](#) ! Palladium Books® has been doing **Christmas Surprise Packages,** or “Grab Bags,” for 17 or 18 years. It enables you to get several RPG titles (\$86-95 worth for ONLY \$42 plus shipping and handling) as gifts or for yourself. It is our way to say *thank you* to our many fans for being so kind and patient, and for your years of support. You are appreciated more than you may realize.

[Christmas Surprise Packages](#) are not just for Christmas. Whether you celebrate

Christmas, Hanukkah, Kwanzaa,

or the

Winter Solstice

, or you're looking for a gift for a
birthday, anniversary, graduation,

or any

special occasion

that falls between now and February, a

Surprise Package

may be the ideal way to go. You get a ton of stuff on the cheap, you can get a bunch of autographs (if you want 'em), and you look like you spent a fortune.

This is also a great way to try that game setting you've wondered about (**Splicers**®, **Dead Reign**®, **Chaos Earth**®,

Palladium Fantasy®, **Nightbane**

®, etc.), or to get something for your favorite Game Master, or perhaps to get your player group to consider a new game or setting.

Your “Wish List” – *The Palladium Surprise Packages*

are designed to simulate the fun, joy and surprise of the Christmas Season of Giving.

To do this, you submit a list of
10-14 Palladium products
(or more)

FOR EACH

Surprise Package you order. This list of 10-14 items for EACH Grab Bag

is critical

, because you will not know which items you'll be getting. That makes it just like a

Christmas gift

because it's a surprise! Plus, Santa Kevin, who personally hand-picks every item for every Grab Bag, may toss in something extra like a limited edition print or T-shirt, or issue of The Rifter®, or something else he thinks you'll enjoy.

Autographed books. For those of you who want them (which are most people), the available members of the Palladium staff, and any freelancers we can lasso at the time, are happy to autograph each

and every book in your Surprise Package. This is the only way many fans, especially those in other countries, can EVER get signed books.

Send us your brief comments. There is a special form and format to fill out for [**Christmas Surprise Packages**](#), including a place where you can offer your *brief* comments, suggestions, greetings and salutations.

It only costs \$42 plus shipping to get

\$86-\$95+ worth of Palladium products! First-timers are always nervous until they see the great value in their first Surprise Package. A typical Grab Bag has \$86-\$95 worth of product, sometimes more! Yes, sometimes more. Many people order 2-3. Some order 4-6, and some maniacs order even more! It makes sense, because it is a great way to fill holes in your own collection, treat yourself, get autographs, try new games and settings, and get your gaming pals gifts. **SPREAD THE WORD** about this great offer.

Zombie Time!

Think you can survive the Zombie Apocalypse? Do you have a desire to kick some zombie butt? Then you want the **Dead Reign® RPG** – available from Palladium Books® or as PDFs from DriveThruRPG.com

. There are currently six titles that are as much fun to read as they are to play. And more are coming.

Dead Reign® RPG – Core Rules – everything you need to know to play

Experience the nightmare of being stalked by the living dead. Who can you trust? Where can you go to be safe? How do you fight the dead? Find out in [Dead Reign](#)® – a complete role-playing game that captures the horror, suspense and trauma of the post-apocalyptic world dominated by zombie hordes. And the zombies? More than what you may expect. All of them deadly.

- **Rules are easy to learn.**
- **Combat is fast, fun and intuitive.**
- **The setting, brutal and unrelenting.**
- **Characters represent the last of humanity.**
- **Play ordinary people who must find a way to survive against impossible odds;** 40 different occupations and notable skills for each.
- **Or play one of the more extraordinary survivors** who battle zombies and try to rescue the

living. They don't mean to be heroes, they just are.

- **They say there is no surviving a zombie bite.** *The Half-Living*

say otherwise. They are victims of a zombie attack, but instead of dying and turning, they come out of their coma more (or some would say, less) than human. The question is, might they turn at any time?

- **Slouchers** are the slow moving zombies. They gather in large herds and kill all they encounter.

- **Flesh-Eating Zombies** are fast and predatory. They hunt in packs, and stalk humans day and night.
- **Mock Zombies** are twisted abominations: The dead who retain a large portion of their mind and identity, but cannot accept what they have become. Most are quite insane and insist they are not monsters. They claim to be alive, and only want to help their “fellow man.” That last part might even be true, until the irresistible need to kill the living takes over.
- **Pattern Zombies** are the dead

that only kill when they come face to face with the living or are attacked first. Unlike the Slouchers and other zombies, they don't seek out human prey. Rather, they are locked in some pattern from their past life, endlessly reenacting their job at the factory, or a typical day at home mowing the lawn or watching the game on a TV that no longer receives broadcasts.

- **Thinkers** are among the most dangerous: zombies that retain a level of cognitive thought and awareness. They can open a door or unlatch a gate, use a weapon

such as a knife or axe, figure out ways to get inside strongholds and go around traps. Worst of all, other zombies follow them, and Thinkers often lead mobs of lesser zombies against the living.

- **More than 30 pages describing zombies,** with all the hows and whys of their behavior and their need to kill the living. Seven different types of zombies (more appear in the *Dark Places* and *Endless Dead* sourcebooks).

- **Page after page of Zombie Apocalypse survival tips.**

- **Six Apocalyptic Character Classes,** with any number of Ordinary People as survivors fighting to keep humanity alive.

- **Death Cults and their leaders.** Not all humans are allies.

- **Retro-Savages,** survivors who blame the apocalypse on technology, and feed people who still use guns, cars and tech, to the dead.

- **Weapons, survival tips and how to fight the dead!**

- **Vehicles, equipment and notable resources.**

- **101 Random Scenarios/Encounters/Settings, adventure ideas and more.**

- The complete core rule book. And learn the rules of this RPG and you can play any Palladium RPG. You see, Palladium's games all use the same basic rules. Learn one, and you can play them all. More than that, you can bring your characters, weapons, powers and magic from one game setting to the next, creating a truly infinite Megaverse® of worlds and adventure.

Nothing has been the same since Dark Day. Earth has been secretly invaded by demons from a hell that is eternal night.

Doppelgangers replace many of the people you know and now run the world governments. The *Nightbane* are human beings (or are they?) linked to something ancient and supernatural, and who conceal a monster within themselves. Inhuman alter-egos that wield supernatural powers and magic abilities. And some say, powers that can fight the monsters from the Nightlands. You, in fact,

could be one of them and not even know it – yet.

COMING – Rifts® Secrets of the Coalition States: The Disavowed TM

“Desperate times require desperate measures. War has nothing to do with morality or justice. It’s all about winning or dying. We cannot bind our hands with high ideals, even our own, or worry about the laws of renegade nations or the rights of alien people. We must fight fire with fire.

And you are the match.” –

enemies and strategic information that cannot be had through conventional means. Learn about the secret parameters in which these hard-boiled warriors, secretly hand-picked by Joseph Prosek II, operate, why almost every mission is considered a suicide mission, and why they

Sourcebook:
Bizantium and
the Northern
Islands

TM

– Available now

To the civilized world, Bizantium and the waters and lands around it are frightening.

A realm of sea
serpents,
monsters, and
barbarians. To
the heroes and
people who live
there, it is a realm
of adventure,

beauty and
opportunity. One
might consider
Bizantium as the
center of
adventure and
mystery in the
North.

North of
Bizantium are the
Icy Ocean and
Great Ice Shelf,
places where
only a handful of

the bravest
Bizantian sailors
have ever set
sail, and the rest
of the world *knows*
nothing
about. For
kingdoms in the

south, only a few
scholars have
ever heard of the
Great Ice Shelf or
the cannibalistic
Necromancers
known as the
Iceborn who

make the frozen
wasteland their
home. Those who
have heard tales
of the land of ice
and death are
convinced they
are nothing but

the stuff of myth.
Very soon, they
will find out
otherwise. And
these are but a
few of the
revelations

The following

items are
something new,

created by Tags,

and
**Palladium

. He did the design work and had the sample products that are shown here created by *Victor Narvaez* at

NY Embroidery
. We liked what these two gents created, so we are making them available to you as Special Orders.

Here's how **Rifts® Special Order Products** will work. In most cases, we have to order a

limited quantity
to make
manufacturing
and shipping
cost effective
(we can't make
just one at a
time, but can

make a dozen at a time). That means when we have a sufficient number of “Special Orders” we can have them made in a

week and
shipped in
another week or
two. And with
Autumn and
Winter and the
holidays coming
up fast, this

might be a good
time to order
things like
