

By Kevin Siembieda

The excitement continues.

IMPORTANT QUESTION. I need your feedback about doing future *Megaverse® Insider* offers.

As I already stated in last week's Update, I'm thinking we should do *crowdsource funding*

via the

Megaverse® Insider

for

major releases

like

Rifts® Northern Gun™ One

and

Two, Rifts® Megaverse® in Flames™

, the two

Beyond the Supernatural™ sourcebooks

and similar. HOWEVER, I have gotten a surprising number of inquiries, suggestions and outright requests to do crowdsource funding for ALL new releases. As one gamer put it, he loved the excitement it generated. That's cool, and we loved the excitement too, but doesn't "all" new releases seem like too much?

Or is it?

PLEASE let us know your thoughts on this matter. As always, we like to know what you think, like and want. If you would like to see us do the same crowdsource funding for ALL (most?) new releases with the same types of offered products, we *need*

to know that. I can't imagine that being the case, but you guys and gals are dedicated, wonderful and, like the Palladium staff, a little bit crazy (in a good way), so tell us what you'd like to see. This is the time to speak up and let us know. Send emails, Private Messages, call the office, chat about it online and

[fill out our poll](#)

.

Note:

We would not do a Megaverse® Insider for future products until we were getting close to releasing that new book or item.

UPDATE: Online sales. Sales have, of course, dropped, but remained decent for the week. I think at this point, people are waiting for *Rifts® Lemuria* and our many other new releases. Hey, we had *outstanding* sales for four weeks running, so we were bound to see sales soften up as people wait for new stuff.

Rifts® Mindwerks™

and

Phase World®: Anvil Galaxy™

coming back into print helped sales this week and more out of stock titles will be coming back in the weeks to come.

UPDATE: Me and the staff. I remain energized and focused on completing books and getting them in your hands pronto. Alex, Wayne and company are all working hard to do just that.

UPDATE: Exciting times. These are exciting times, so I will be doing more [Murmurs from the Megaverse®](#)

and

[Facebook posts](#)

on a frequent basis. The last week or so, I had been so busy working on

Rifts® Lemuria

and getting a dozen other projects moving forward, that I did not post many Murmurs or comment much on Facebook until earlier this week. Since then, I've been posting regularly and will continue to post a Murmur or two and pop in on Facebook every day or two. There are several new Murmurs for this week already. There is so much excitement at Palladium Books, I want to keep you abreast of everything! Plus, I need your input and enjoy your insight.

UPDATE: BACK IN PRINT: Rifts® Sourcebook 3: Mindwerks™. The book arrived on Tuesday and is ready for you to purchase. So is

Rifts® Dimension Book 5: Anvil Galaxy™

. See the description for these two titles elsewhere in this Weekly Update. Additional titles will be sent to the printer for short-run printings over the next few weeks, and include

Wolfen Empire™

(for Palladium Fantasy®),

Mutant Underground™
(HU2),
Rifts® Mercenaries
and
Rifts® Splynn Dimensional Market™

UPDATE: Rifts® Lemuria. I hope I'm not over-hyping this book, but I'm in love with it and it just seems to keep getting better and better. The ideas never stop. Work is progressing well and I expect Wayne to start typesetting and laying out this weekend. Nick Bradshaw's additional art came in and looks sweet.

UPDATE: Dead Reign™ Sourcebook 3: Endless Dead™. I can't wait to get to work on this book and
Rifts® Vampires
Sourcebook. Writing,
editing and product for both should go quickly.

UPDATE: Rifts® World Book: The Black Market. The cover for Rifts® Black Market is almost finished. I think it really captures the mood and feel of the Black Market. I hope you like it. I need to assign the interior artwork next. This sourcebook is written by
Matthew Clements
with additional material by
Taylor White.

UPDATE: Rifts® World Book: Northern Gun™ One. Met with Chuck Walton yesterday to approve new sketches for Northern Gun robot and vehicle designs. Hey, it's Chuck, so they look fantastic. An April or May release, to be quickly followed by
Northern Gun™ Two
a month or two later.

UPDATE: The Rifter® #58. More exciting fan-created material for the Palladium Megaverse. Wayne's behind on this issue, but it remains an April release.

UPDATE: New! Palladium Bookmarks, Set Two. No word yet as to when this new item will be

ready to ship, but I don't think it should be more than another week or two. They look awesome and feature **Chaos Earth™, Phase World®, Nightbane®** and **Beyond the Supernatural™**. See the description elsewhere in this Weekly Update.

UPDATE: Rifts® Miniatures. We should be able to start offering releases of fan favorite Rifts® minis – *the Glitter Boy, Splugorth Overlord, Coalition Soldiers, etc.* – in a week or two. They will be quickly followed by a dozen awesome figures never before released by Palladium Books, including a Shadow Beast, Magi and new style CS soldier, among others. We'll be selling them as individual figures for a range of prices depending on size. We already have some from Carmen and they look great! But I want to finish **Rifts® Lemuria** before we take a break to work on minis (even if it will only chew up a day or two).

UPDATE: Robotech® Miniatures. The debate over whether or not Robotech® fans and Palladium fans would like to see Palladium release Robotech® miniatures is heating up. Excellent, because we want to know what you think on this front.

One of the gents who wants to work with Palladium to make this happen has posted a few photos on the Palladium Facebook Page of his Robotech miniature sculpts. I have seen many more of his minis and they are impressive. But is there enough interest to warrant Palladium to do Robotech® miniatures? Do you want to buy Robotech® minis? That's the question we need you to help us answer. Does there have to be a miniatures game to go with the minis? And the minis probably would NOT be pre-painted. Does that change your mind? Let us know. Depending on the response, we'll take a long, hard look at the possibilities for this Robotech® line.

UPDATE: The Rifter® #0.1 and #0.2 (both to be PDFs like Rifter Zero). We got word back from the main coordinator of this long developing project, and it is moving forward. There's some impressive looking stuff in it, though we've yet to read most of it, and they should make fun digital products for our fans. There is literally hundreds of pages of material so it will take us a while to go through it all, but we're on the job. This project was created by a band of awesome Palladium fans as a means to share their ideas and to help Palladium generate some revenue with PDF sales on riveThruRPG.com

. All donated their time and hard work. Thanks guys, your hard work will pay off.

UPDATE: Sneak Previews on DriveThruRPG.com for **Rifts® Lemuria** should go up sometime next week (thought we'd have it this week, but things didn't pan out). The sneak preview for **Endless Dead** will quickly follow after it. Don't forget, there are 90+ backstock titles, including back issues of **The Rifter®**, first edition rule books, other sneak previews and the Rifts® Game Master Kit, all available as PDF downloads at reasonable prices.

Be like Bill. Become a Palladium Megaversal Ambassador or just G.M. and spread the joy of Palladium's role-playing games. *Bill Korsak* is a local Game Master who has helped Palladium run games at the *Westland Library*, he's running games at the *Palladium Open House* (May 3-6, 2012) and he's running games at other local gaming events, stores and venues. Bill's favorite games to run, at the moment, are **Beyond the Supernatural**™ and **Dead Reign**™, so those are the games he generally plays. I've been running Palladium Fantasy; Julius, **Rifts®** and **Palladium Fantasy®**. You can do likewise. Run the games you love or feel like playing and have fun.

UPDATE: Gaming at the Westland Library – March 31, 2012 – Saturday from 1-4 PM. This is the next library event where Julius and I will be running games. We are already seeing more interest from local gamers so this could turn into something big. Join the fun and this is a great way to introduce a new generation to Palladium role-playing games or to give our games a try. PLEASE REGISTER with the library early, so we can make sure we have enough Game Masters to accommodate everybody who wants to play.

Sign up by calling the library

at
(734) 326-6123

or online at

<http://www.westlandlibrary.org/node/3089>

. The gaming is from 1-4 PM, Saturday, March 31, 2012. The library is located on Central City Parkway between Ford Road and Warren.

The [Palladium Open House](#) is only 8 weeks away!! We'll be ready to rock your world all weekend long with Palladium gaming events. We still need more G.M.s to send us their event information!! If you have any questions and Wayne isn't getting back to you, contact Alex or call the office. We need games! Sorry about all those exclamation points, but the POH will be here in no time.

And we need gamers in and around Michigan to [join the fun](#) ! Take this opportunity to game with the guys and gals who make the games you love.

Palladium Open House Hotel Rooms are going fast! Reserve your hotel rooms as soon as you can. Your credit card does not get charged till the day of the event and you can cancel up to a week before. The hotel is inexpensive and excellent (\$69.95 for two double beds or one king) and there will be two conference rooms (one small, one large) for all-night gaming at the hotel.

NOTE:

It helps Palladium if you reserve your hotel room BEFORE March 31. Thanks.

UPDATE: Kevin's Online Toy & Collectibles Store. Alex and I have recently added some Palladium collectibles and new toys and action figures into my online store. We'll try to add more new items next week as well. Right now they include Palladium gold editions, some artwork, art prints, The Rifter® #20, and various out of print books – most of it signed. We'll keep them coming if you keep buying them.

When I started writing this Update I thought it would be a short one. Guess not. Like I said, there is a lot of activity and excitement. Have a great weekend, keep those imaginations burning bright and buy Palladium.
