

By Kevin Siembieda

UPDATE: New Palladium website should go live *any day now*. Really. We thought the website would be up earlier this week, but we were delayed due to a handful of technical issues; including waiting for our host company to make some necessary changes. That was okay, as it gave us time to make additions and changes to make the new website even better. It's rather like working on a manuscript for a book: every time one of us takes a pass at it, we see something that could be improved, tweaked or should be changed. So we've been making improvements while we wait.

I'm told we should go live *Friday night*, but it could be over the weekend or on Monday. Our apologies for the delay. I know Rex, Thom and all of us are chomping at the bit to see the new Palladium website go live. We hope you'll like the new look and improvements. The website has been completely redone from the ground up and we'll continue to make changes and improvements in the months to come. Our appreciation to those of you who offered comments and suggestions, as well as to *Rex Barkdoll* for the Herculean amount of work and creativity he put in to it.

UPDATE: Palladium's Facebook numbers continue to grow. We surpassed the mark of 2,500 people who like the page by 108 and are on our way to 3,000. It's nice to see so many people finding us and enjoying the page. I continue to post on our

[Facebook page](#)

on a regular basis – every couple of days, though I think I have popped in 4-5 days in a row this week. I'm encouraging the Palladium crew and freelancers to make more appearances too. Along with myself, Alex, Wayne, Mike Mumah, Brandon Aten, Irvin Jackson, Mark Oberle, Carl Gleba, and Braden Campbell, among others, are regulars on the page.

[Join the fun](#)

UPDATE: Online sales slumped this week. Sales were so-so this week. Hey, it happens. I'm not worried. As Palladium continues to build momentum with the new website going live, regular releases of new titles, and growing excitement over our plans for the future, sales will bounce back up. Folks are clamoring for the two **Rifts®**

Vampire

titles, as well as

Rifts® Lemuria, Robotech® New Generation™ Sourcebook

and

Rifts® Megaverse® in Flames,

so now it is simply a matter of getting them finished and to press.

UPDATE: Rifts® Thundercloud Galaxy™ continues to get positive feedback and sell well. So are **Armageddon Unlimited™, Dimensional Outbreak™, Heroes of the Megaverse®, Rifts® Japan, Rifts® Lone Star™** and **The Rifter® #54,** along with other titles. Have you ordered the books you've been meaning to get? Get 'em now or wait until the new store, but make sure you get them. ;)

UPDATE: More Sneak Previews coming your way. People have been enjoying the free sneak previews of [Armageddon Unlimited™](#) and [Thundercloud Galaxy™](#) available from [DriveThruRPG.com](#) so much that we will try to do one for every new release from now on. DriveThruRPG.com is also a good resource for getting **The Rifter® #1-48** and to fill in your RPG library with first edition copies of **Rifts®, Palladium Fantasy®, Heroes Unlimited™,** and other game lines as well as books such as **Nightbane® Book Four: Shadows of Light™** and both versions of the **The Mechanoids® RPG** (1985) and **The Collected Mechanoid Invasion® Trilogy** (1981-1983).

UPDATE: Rifts® Japan and **Rifts® Lone Star™** are selling like crazy. I didn't realize these two books were in such high demand. Among other titles reprinted this year, the **Palladium Fantasy RPG®, Rifts® Game Master Guide, Rifts® Dark Conversions™, Rifts® World Book 5: Triax & The NGR™, Rifts® Mercenaries™, Rifts® Bionics Sourcebook,** and **Rifts® China One** are also flying off the shelves. **Rifts® Book of Magic** is the next out of print book to be brought back into print by the end of the month.

UPDATE: Rifts® Vampire Kingdoms™. I am pumped up about this book! I've been inspired

and the writing is coming along very well. The vampire section is being rewritten from the perspective of *Doc Reid* and presents new vampire information, details, powers and dangers, as well as notes about their behavior, hierarchy and society. I've added much more about the Vampire Kingdoms themselves, how they treat humans, who protects them during the daytime, and the threat the Vampire Kingdoms represent to the outside world. There is also information about becoming a vampire hunter, playing a vampire character, and getting in and out of Mexico
alive

UPDATE: Rifts® Vampires Sourcebook. I'm just as excited about this book as Vampire Kingdoms and I've been making notes and kicking material that doesn't fit in *Kingdoms* into the sourcebook. Both will be very different, but excellent companions for each other. Perfect for ongoing campaigns.

UPDATE: Robotech® New Generation™ Sourcebook. I've been focused on getting the new website ready for launch and working on Vampire Kingdoms, so there has been no movement on this title this week.

UPDATE: Rifts® Lemuria. I've been promising artists assignments for this baby for a month, I'd better get to it.

UPDATE: Rifts® Megaverse® in Flames. I can hardly wait to see the finished cover. Need to assign art for this too.

BACK IN PRINT: Rifts® Book of Magic will be back in print by the end of May. I'm waiting for an exact ship date from my printer. The release date of May 25, announced last week, is incorrect. I forgot we "sew" and glue core books so the pages can never fall out. My printer caught the error and contacted me to ask if I wanted the 356 page

Rifts® Book of Magic

sewn. Of course I said yes, but that will delay the book several days to a week. At this point the ship date is looking like May 31st.

The following products are also recently back in print and ready to ship:

- [Rifts® World Book 8: Rifts® Japan™](#)
- [Rifts® World Book 13: Lone Star™](#)
- [Rifts® Dimension Book™ 6: Three Galaxies™](#)
- [Rifts® Black Vault™](#)
- [Rifts® Mercenaries™](#)
- [Aliens Unlimited™](#) – **A Heroes Unlimited™ sourcebook**
- [Rifts® Baseball Caps](#)

Murmurs from the Megaverse® – The Dark Secret of John Zeleznik has proven to be a lot of fun on the Palladium Message Boards and on Palladium’s Facebook page. John has been a good sport about it and has played along. But is this all innocent play? I must point out that since my calling John out, the *Detroit Red Wings* (our hockey team) have been winning games. Coincidence? I think not. We’ll see if we have broken John’s evil plot once and for all when the Wings win Game 7 of the current series tonight. Go Wings.

[Click here](#) to read all about this crazy conspiracy theory and evil plot.

Palladium Presence at A-Kon – June 10-12, Dallas, Texas. Reminder to fans in the Dallas-Houston area that Megaversal Ambassador Kenneth Haun is running Palladium gaming events at A-Kon. Join the fun. Sorry, none of us can make the event.

Palladium to attend Gen Con Indy – August 4-7. I mention this every week because we want to make sure everyone knows and swings by our booth. Spread the word. Even though there are no “official” Palladium gaming events there are always a bunch of “unofficial” games. Please stop by the Palladium booth to chat and get autographs, pick up new books and back stock titles, and have some fun. Palladium people you’ll get to meet include:

- Kevin Siembieda
- Wayne Smith
- Nick Bradshaw (artist)
- Michael Mumah (artist)
- Brandon Aten (writer)
- Matthew Clements (writer; tentative)
- And others to be announced.

QueenofGhouls.com – Kathy Simmons has a creative whirlwind and has yet another new

zombie or two going up on [her store](#) this weekend (by Sunday). One's a female zombie that looks awesome and is waiting for a few finishing touches before she puts it in the store.

UPDATE: Alex. Lots and lots of rain has delayed getting the new roof put on this week at Alex Marciniszyn's fire-damaged home. Weather permitting, the new roof goes on next week and the electrical work starts on Monday (the whole house needs to be rewired). All of this has been hard on Alex, but he is entering the final phase. He hopes to be back home by the end of the month.

Update: Palladium Birthdays. We celebrated Wayne's birthday last Friday. Thom was there too and we had a nice time. Wayne reveled in the adulation and was showered in gifts. Kathy Simmons' is next, followed by Alex Marciniszyn's a week later, and Thom Bartold's 10 days after that. All in June.

Behind the Scenes: Is there more going on behind the scenes? Of course there is. We continue to listen to your input and ideas, we continue to research and explore new realms of possibilities on many different fronts, and excitement remains high. I'll offer some more Behind the Scenes details every few Weekly Updates. Right now, I'm writing my fingers off and working hard to get the next 3-4 books to the printer.

Keep those imaginations burning bright, enjoy the new website when it finally appears (soon!) and game on.

– *Kevin Siembieda, Publisher*

Check out the new creations by Palladium's very own *Kathy Simmons*. See her new zombie, Jack Skellington and Sally, with more new creations on the drawing board. Each Halloween prop is truly life-sized (most are 6 feet or taller – Jack is almost 8 feet) and seem almost alive.

Each is an all-weather, life-sized Halloween prop that can handle rain and snow, and is a one-of-a-kind work of art (no two are exactly the same). Each looks frighteningly “real.” All come apart and fold down to slightly larger than a king-size pillow for easy storage. Comes with easy instructions, a plastic storage bag, and the lawn stake to stand it up in your front yard. Indoor stand sold separately.

Types of “Ghouls” include: Zombies (all kinds!), killer clowns, wizards, witches, devils, grave ghouls, scarecrows, executioners, mad doctors, deadly nurses, vampires, werewolves, and more.
