

By Kevin Siembieda

I hope you don't mind if I start this Weekly Update off with some exciting, personal news.

### **My daughter, *Monica*, gave birth to her first child this morning**

*Chloe*, a beautiful baby girl! *Chloe Sage Stanfield* arrived two weeks early at 2:02 A.M., July 5, 2012, at a weight of five pounds, 10 ounces. The proud father, *Steven*,

was gushing with delight when we spoke this morning. We are all very excited. Monica, Steven and Chloe live in Arizona, so I cannot just run over, but I am as happy as can be for them. This is the first baby born to either of my children.

There was some concern as the baby was breach and the umbilical cord was wrapped around the neck. But all went well and mother and child are doing great! Awesome.

### **And the good news keeps coming**

#### **UPDATE: Robotech®**

You haven't heard us talk about **Robotech®** much lately, because we have been secretly working on some big plans for that game line. As you know, I try to keep you informed about everything going on at Palladium Books®. However, sometimes we just can't reveal our plans or projects for strategic business reasons. For example, we didn't want a competitor trying to swoop in on

#### **Robotech**

® if we talked too much about our plans. Moreover, we get some fan complaints when we talk about an upcoming project and it gets delayed, or worse, it falls through. We didn't want that to happen with

#### **Robotech**

®, so we quietly stopped talking about the line but kept working on things behind the scenes. Well, I can finally give you an exciting update.

This week, Palladium Books signed a deal to expand its current **Robotech®** license with

**Harmony Gold USA, Inc.,**

including the right to produce and sell pewter game pieces of

*Robotech® mecha*

and

*spaceships*

. This has been one of the secret projects we've been working on for months. Our thanks to

*Tom Roache, Jon Paulson, Jeff Burke*

and

*Carmen Bellaire*

, along with many others, for their help with our investigation and research on the subject. How soon can you expect to see

*1/285 scale mecha*

available? Probably not until next year sometime. We'll keep you posted.

***Sculptors wanted.***

## **But that's not all**

**Robotech®: Genesis Pits Sourcebook** is slated for final production and will probably see release before **Rifts®**

**Megaverse® in Flames**

. This entire time,

*Irvin Jackson*

has been working on two more

**Robotech**

® sourcebooks, and another freelancer is fooling around with other ideas for Robotech® sourcebooks that we are not yet ready to announced. (We don't know if they are going to happen or not, yet.) I plan to give the

**Robotech® Role-Playing Game series**

a big push and a lot more love, attention and products over the next 18 months.

## **UPDATE: The Rifter® #59 – goes to the printer tomorrow**

*Wayne* is laying out **The Rifter® #59** even as you read this. It goes to

the printer tomorrow. It's another great issue, with material for **Splicers**

®,

**Rifts® Xiticix**

,

**Techno-Wizardry**

across the Megaverse®, the second half of the Kezel, a

**Palladium Fantasy®**

adventure and more. See the full description for this issue elsewhere in this Weekly Update. A July release! Goes to the printer Friday, July 6.

## **UPDATE: Rifts® Black Market**

I have been hot as Hades on the writing of **Rifts® Black Market™** and artists are working away to depict the material. The book is epic and I think the source material it contains is going to surprise and blow people away. I think gamers will love the way we're handling the Black Market O.C.C.s, and you'll go wild over the wealth of information, the five factions, the inner workings of the organization, the new weapons and other gear . . . this book has it all. AND best of all, a lot of it can be easily adapted to just about any world setting.

**Rifts® Black Market**

has unexpectedly become a team collaboration, with something like six different writers contributing to it in the best ways possible. I'm making sure it all fits together seamlessly and having a blast working with all these talented and imaginative guys: Matthew Clements, Taylor White, Carmen Bellaire, Julius Rosenstein and Alex Marciniszyn. And artwork coming in so far has been excellent. A July release!

## **UPDATE: Rifts® Vampires Sourcebook**

The writing on **Rifts® Vampires Sourcebook** is shaping up nicely, but a bit slower as I'm bent on finishing **Rifts® Black Market**

. I'm working on both titles simultaneously so they can be released a few weeks apart. The new art for this bad boy is looking sharp too. We've got one stunning book after another coming out. A July release!

## **UPDATE: Rifts® Northern Gun™ One**

**Rifts® Northern Gun™ One** and **Rifts® Northern Gun™ Two** are

both going to knock your socks off the way Rifts® Lemuria did. They are nothing short of epic. We are dying to see Chuck Walton's finished artwork for it.

Meanwhile, I have

*Carl Gleba*

and

*Carmen Bellaire*

writing additional weapons and equipment, and the book is going to be epic.

## **UPDATE: Northern Gun™ Two**

We should get John Zeleznik's finished cover in a week or two. Chuck is working on the art for this bad boy too. **Northern Gun™ Two** is shaping up to be as amazing as **Northern Gun™ One** is going to be. Whew, the Palladium creative forces are on fire!

**Rifts® Northern Gun™ TWO Megaverse®**

**Insider offer**

**– Advance notice – it starts next week, July 12, 2012**

Yeow, that's coming up fast. As I've said before, we had originally planned to do the both titles as "one" **Rifts® Northern Gun™ Megaverse® Insider offer**

. But a number of you contacted us and requested that we not do it as one offer, but two, a month apart. The reason was that many of you wanted to get both

**Northern Gun™ ONE**

and

**Northern Gun™ TWO**

**Megaverse®**

crowdfunding items, but could not afford to purchase both at the same time. What many of you had suggested was that we split the

**Northern Gun™**

crowdfunding into two offers a month apart so you could afford both. Always wanting to please our customers, that's what we have done. Having said we only intend to do 3-4 crowdfunding offers a year, and not wanting to do one during the Christmas season, we decided these two

**Northern Gun™**

crowdfunding offers would be the last for the year 2012. So the LAST crowdfunding offer of 2012 – the

**Rifts® Northern Gun™ TWO Megaverse® Insider offer**

– starts

*next Thursday*

. We'll present all the details next week.

**Note:**

All limited edition prints and sneak peeks in EACH offer are unique and different from the previous ones.

## **New Books Coming Soon!**

The next seven books should come out in rapid succession.

## **UPDATE: Kevin's Online Toy & Collectibles Store**

On top of everything else going on, Alex and I continue to add Palladium collectibles as well as a large number of collectible toys

and action figures to my online store. More will be added all weekend long as well as more new items every few days for the next several weeks. Right now they include proofreader copies of books, Palladium gold editions, some artwork, some art prints, and other good stuff. Most Palladium items are signed by me, Alex and other Palladium creators. We'll keep them coming if you keep buying them. <http://stores.ebay.com/kevinstoys-artandcollectibles>

## **UPDATE: Online Sales**

Sales remain solid. In fact, we've been seeing a much larger than usual number of "new customers" in just the last couple of weeks, suggesting the *Gen Con e-mail blast* has done its job. Nice. And don't overlook the

[Rifts® dice bag](#)

coming back into stock along with other good stuff like

## **Palladium Fantasy**

## **Calls to Ultimate Insiders & Benefactors**

With the holiday on the Fourth and our intense focus to get new books finished (I've been a man possessed) I have not made calls to the remaining Lemuria Insiders or the new Northern Gun™ One folks. Like I said last week, let me get a book or two to the printer first. Thanks. YOU are not forgotten. ;) Keep the faith and game on! I truly look forward to chatting with you.

**Gen Con® Indy – Palladium Book® – Booth #1125**

[Gen Con Indy](#) is next month already! Man, time is flying by. Palladium will be there with new and old releases, original artwork, prints and lots of books. Come on over to chat, buy stuff, and get books signed by *me, Wayne Smith, Chuck Walton, Matthew Clements, Brandon Aten, Mark Oberle* and maybe a few others. It will be grand fun.

## **There is so much more going on**

Things feel like they are popping faster than Fourth of July firecrackers at Palladium these past few months. And

for a change, it is all good news. I talk about a lot of what's going in **The**

**Rifter® #59**

and I'll share more in the next Weekly Update. For now, I need to get back to finishing some books. Game on!
