UPDATE: *Savage Rifts*® Kickstarter – launches April 26, 2016

Rifts® setting for the **Savage Worlds**® Game system

Pinnacle is helping to expand the Rifts®

Megaverse® by adapting it to their award winning Savage Worlds game system. And let me tell you, it is an adaptation made by game designers who clearly know and love Rifts®. I don't think I could have done a better encapsulation and introduction to **Rifts®** myself. And the color artwork ... awesome.

Palladium's Rifts® fans and collectors will want these delicious, full color, well written books just to read and own if nothing else. Ah, but there are all kinds of cool ideas, tables and adventures you can easily incorporate in your current Rifts games. I loved reading the new write ups for the Rifts® world, the CS, key characters and monsters, and new ideas for playing. Very cool. It excited me and I created this world! Oh, and make sure you check out the cool Kickstarter limited run items.

The Pinnacle creators have worked so hard to make this new game line fantastic. I hope it is a huge success. **Savage Rifts®** is a licensed property. Palladium's only involvement has been approvals, corrections and suggestions. These talented ladies and gents have done us and the **Rifts®** world proud. They have put their hearts and souls into these products and it shows. I wish all licensing experiences were this easy and good to work with. All of us at Palladium Books wish the talented folks at Pinnacle great success with this new **Rifts®** game line.

Palladium Collectibles Available in Kevin's Online Toy & Collectibles Store

A wide range of art and collectibles have been selling over the last few weeks. Nice. I hope you enjoy your items, be they out of print books, signed titles, rare hardcovers, original artwork, toys or other goodies. Original art are one-of-a-kind items, so when they are gone (like the TMNT sketches and Rifts® illustrations), they are gone. Many other offerings are signed, limited editions or are items that have been sold out for some time.

I'll continue to pull things out of my personal collection and Palladium archives. A bunch of toys have been added to [my online store](#) with more to come.

More collectibles, artwork and toys are added almost every week. Palladium collectibles, hardcovers, out-of-print titles, original artwork, and toys and items from my personal collection are on my ebay store. We add items on a regular basis and offer sales, so check it out from time to time. Includes one-of-a-kind original artwork, prints, **Rift S** [®] and

Robotech

® artwork by
Kevin Long, me
and
others

. There is also a range of limited editions, rare book titles and limited edition hardcovers, toys and more available with frequent new items added. Items include original art, out-of-print titles, redlined proofreader photocopies signed by me and the staff, signed manuscripts with editors' corrections, some original art, hardcover books (including

Rifts® Lemuria, Northern Gun™ One, Northern Gun™ Two, Megaverse® in Flames™, Beyond the Supernatural™ Gold, Rifts® Machinations of Doom™

GrandCon – Grand Rapids, Michigan – September 16, 17 & 18, 2016

Looking for a nice medium-sized convention of around 2,000 gamers? Then consider **GrandCon** in Grand Rapids, Michigan. It's only about 2 hours and 15 minutes from Westland, and even closer for folks living in Livonia, Plymouth, Novi, and cities farther west. Ideal for any Michiganders and gamers living in *Illinois*, *Indiana*

and maybe even

Wisconsin

and

eastern Iowa

.

I (*Kevin Siembieda*) am a guest along

with

Sean Patrick

Fannon,

co-author of

Savage Rifts

® for the

Savage Worlds game system

, and many other guests. Sean and I will

be doing panels about

Savage Rifts®

and role-playing game design, world

building and running gaming events (I'll probably run

Lord DeSilca

), and Palladium Books will have a few tables in the dealers' room manned by

Wayne Smith

and

Charles Walton II

(with artwork for sale). All of us will be present to chat with gamers and sign books. I am thrilled to have a rapidly growing game convention like GrandCon in western Michigan, and they have even bigger plans for 2017. Michiganders, help support this convention. We need and deserve a large gaming convention in our state.

Closing thoughts ...

Thank goodness everyone appears to be on the road to recovery. I hope we all stay that way. However, Ben Rodriguez popped by a couple days in a row to work on art for [**CS Heroes of Humanity**](#)[™] (a gorgeous illustration depicting Skelebots battling a Deevil Horror), and he has some hideous cough and hoarse voice that will not go away. He's had it for weeks now. I sure hope none of us catch what he has. Yikes.

Continuing to work on many different fronts. Place your pre-orders for [CS Heroes of Humanity](#)

™ and other upcoming titles. Spread the word about the

Savage Rifts® Kickstarter, April 26, 2016

; it is well worth it. Our best to the hardworking stiffs at Pinnacle for bringing

Rifts

® to a new group of gamers with the Savage Worlds rules. Keep those imaginations burning bright.

Rifts® Secrets of the Coalition States: The Disavowed™ – Summer

“Desperate times require desperate measures. War has nothing to do with morality or justice. It’s all about winning or dying. We cannot bind our hands with high ideals, even our own, or worry about the laws of renegade nations or the

rights of alien people. We must fight fire with fire. And you are the match.” – *Colonel Lyboc addressing a Disavowed team*

The Disavowed are so Top Secret that their existence is known only to a handful of the

Coalition States' most elite, top echelon, with *Joseph Prosek II* the mastermind behind the Disavowed operation, and Colonel Lyboc its shadowy face. Find out who these men and women are. How the Disavowed get away with using magic, traveling to other parts of Rifts Earth

and even to other dimensions in pursuit of enemies and strategic information that cannot be had through conventional means. Learn about the secret parameters in which these hard-boiled warriors, secretly hand-picked by Joseph Prosek II, operate, why almost every mission is

considered a suicide mission, and why they must forever be the Disavowed.

- CS operatives so secret that even the top military and political leaders right up to Emperor Prosek *know nothing about them*

**. And if they did know,
would they condone
their activity or
