If you have never played Palladium Fantasy®, this gives you plenty to get rolling. Play the humans, Dwarves, Elves, Wizards, Warriors, Thieves and Paladins you would expect, but you also get to play a large array of non-human characters like

Wolfen, Coyles,
Orcs, Ogres, Kobolds, Gnomes
and others. And sourcebooks like

Monsters & Animals, High Seas, the Yin-Sloth Jungles

and others give you even more character classes and inhuman player character options as well as a menagerie of monsters and villains to battle.

If you are a long time Palladium Fantasy® fan, you get the core rule book and several fan favorite sourcebooks to have available as a digital reference. Since these are first edition titles, you get PDFs of some beloved books that have been out of print for a number of years.

Palladium Fantasy® goes beyond the common fantasy tropes to challenge and stimulate your imagination with player characters like the Mind Mage, Summoner, Diabolist and others. Its unique world and characters have 50,000 years of history, secrets, rivalry and ancient darkness threatening to resurface. This is the time to give this fantasy world a try when you get everything you need to play at bargain prices and support a charity at the same time.

Bargain price and charity support. Not only do you get to try something new or build your existing e-library at a *bargain price*, but 10% of every purchase goes toward charity! We chose to support the **American Red Cross** as they provide desperately needed medical services to people affected by poverty, war and disasters all over the world.

Please spread the word among your social circles, we would really appreciate it. Please point everyone to ... <http://bundleofholding.com/presents/PalladiumFRPG>

How the Bundle of Holding Works: The customer can pay any price (minimum \$14.95 for the Fantasy Starter Collection Bundle) to get all the titles in the Starter Collection. *If you pay more than the threshold (average) price,* which was set at

\$23.95 to start

(but goes up as more people make purchases), you also get all the titles in the *Bonus Collection*

. They also ADD little surprises and bonus, like the two sets of Fantasy Paper Minis that were added to the *Fantasy Starter Bundle*

. Anyone who already made this purchase gets any “add-on” items. All previous purchasers of this offer automatically receive the newly added item(s) on their *Wizard's Cabinet download page*

Important Note:

The customer needs to visit that page in order to “trigger the system” to add the new titles to his or her DriveThruRPG Library. Enjoy.

The Palladium Fantasy® Bundle ends August 21, so please spread the word

and tell everybody about these PDF bundles. All PDF bundles are hosted in association with OneBookShelf,

DriveThruRPG's

parent company, and you get your PDF bundle added directly into your DriveThruRPG library. What? You don't have a DriveThruRPG account yet? No worries, they are FREE and very easy to set up.

The Palladium® FRPG Bundle will END on August 21, 2017 at 10 PM Eastern time – do not

miss out on this limited time offer!

knowledge and
magic. More

Rifts® The Disavowed – A Secrets of the Coalition

States Sourcebook

TM

“Desperate
times require
desperate
measures. War

has nothing to do with morality or justice. It's all about winning or dying. We cannot bind our hands with high ideals, even our

own, or worry
about the laws
of renegade
nations or the
rights of alien
people. We
must fight fire
with fire. And

you are the
match.” –

Colonel Lyboc
addressing a
Disavowed
team.

The Disavowed
are so Top
Secret that their
existence is
known only to a
handful of the
Coalition States'
most elite, top

echelon, with Joseph Prosek II the mastermind behind the Disavowed operation, and Colonel Lyboc its shadowy

face. Find out
who these men
and women are.
How the
Disavowed get
away with using
magic, traveling
to other parts of

Rifts Earth and
even to other
dimensions in
pursuit of
enemies and
strategic
information that
cannot be had

through
conventional
means. Learn
about the secret
parameters in
which these
hard-boiled
warriors,

secretly
hand-picked by
Joseph Prosek
II, operate, why
almost every
mission is
considered a
suicide mission,

and why they
must forever be
the Disavowed.

- CS
operatives so
secret that even

the top military
and political
leaders right up
to Emperor
Prosek know
w nothing about
them
. And if they did

know, would
they condone
their activity or
condemn it?

- Are the
Disavowed
heroes or

renegades?
Assassins or
soldiers?
Madmen or
super-patriots?
Or a little of
them all?
- Unsung

heroes who
keep the CS
safe, or thugs
and pawns of a
shadow agency
within the
Coalition
government?

- What role does the Vanguard play in this group?

- How do they reward their

D-Bee
“teammates”
when the
mission is over?

- What
happens to the
Disavowed

when they have
seen or learned
too much?

Adventure ideas
galore and so
much more.
