By Kevin Siembieda

Welcome to another week of Palladium excitement.

It has been pointed out to me that my Weekly Updates have been rather lengthy lately. I apologize if I have been too long-winded. It's just that there has been a lot going on lately, and I know you like to be kept in the loop. I also like getting your input and suggestions. The feedback on the *website* and *Facebook* for **Rifts® Vampire Kingdoms** has been a tremendous help to us. I'll keep this Update brief.

UPDATE: Website issues have been addressed. The major issues and bugs with the new Palladium website have been fixed. We continue to work on things such as reducing loading time, fixing little bugs, and making additions and improvements.

You can continue to help by spreading the word about the new website, upcoming releases and other exciting things going on at Palladium Books. Your posting links to the Palladium Books website
e store

, and even links to specific products and discussion threads on your own websites, Facebook pages, and other websites that allow such things, really does help. Also talk about your favorite games and new releases. Thanks again.

UPDATE: Online Sales. The *Second Chance Sale* was almost as popular as our Memorial Day weekend sale. Of course, orders softened after the sale, but are not too bad. That will only get better as new product is released. I'm also working on 2-3 additional June sales to celebrate Palladium's 30 Years of Publishing Role-Playing Games. These sales will only be in the month of June. Read more about them later in this Update and thank you for your continuing support.

UPDATE: Rifts® Free Quebec™ – Available now. Free Quebec arrived at the Palladium Warehouse on Wednesday, June 8, right on time, and is available to ship right now. It offers different types of Glitter Boys, Quebec weapons and gear, adventure ideas, maps, world information about Free Quebec, O.C.C.s and more.

The following titles are also recently back in print and ready to ship:

- Rifts® Book of Magic
- Rifts® World Book 8: Rifts® Japan™
- Rifts® World Book 13: Lone Star™
- Rifts® Dimension Book™ 6: Three Galaxies™
- Rifts® Black Vault™
- Rifts® Mercenaries™
- Aliens Unlimited™ A Heroes Unlimited™ sourcebook
- Rifts® Baseball Caps

UPDATE: Rifts® Vampire Kingdoms™. Writing has been going great. I'm in what I call my "dynamo mode" in which I find myself writing at a furious pace. I gave Alex 40 pages to edit on Tuesday, 25 more on Wednesday and 25 today. Yep, I'm on a roll.

I'm also happy and excited about all the new material in this book. Even the descriptions for El Paso and Ciudad Juarez have been rewritten, updated and expanded. There is more and new material throughout. In the case of Juarez, the entire city-state is designed to be a springboard for adventure, not just a place to hangout or buy and sell stuff. I'm also developing the evil god *Camazotz*, *Lord of Bats and Darkness*,

who leads a rival Vampire Kingdom in the Yucatan. Plus the other Vampire Kingdoms, Archie Three, and all kinds of goodness! The new artwork by Bradshaw, Burles, Mumah and Wilson also rocks. Yes, I'll be keeping much of the popular Kevin Long and Timothy Truman artwork, but there are a number of new illustrations. Heck, I probably should have named the book "New and improved!" See the expanded bullet points in the description for more details.

UPDATE: The Rifter® #55. Wayne's pulling this issue together even as you read this. The final version of the cover is done and it is sweet. We are still looking for new contributors to **The Rifter®.**

That could be you.

The Rifter

® is designed to publish "fan" created source material, so what are you waiting for, send us your 8-25 page articles. The October Horror issue is next.

UPDATE: Rifts® World Book 32: Lemuria™. The author is finishing the last section reworked by him, I have Matthew Clements working on some edits, and I'll be assigning the rest of the artwork in the next few days.

UPDATE: Rifts® World Book 33: Megaverse® in Flames™. The final version of the cover by RC Aradio is in and is fabulous. It is very powerful and dramatic.

UPDATE: The Rifter® Number Zero and Hades & Dyval Map Pack were made available on Drive

ThruRPG.com

last week. I'm afraid we're still not ready to offer a

Rifts® Vampire Kingdoms

ТМ

Sneak Preview

, probably next week. Don't forget,

DriveThruRPG

offers more than 90 out of print titles (and a few that are not) as PDF downloads. It is a good resource for getting

The Rifter® #1-48

and to fill in your RPG library with first edition copies of

Rifts

®,

Palladium Fantasy

(R)

Heroes Unlimited

TM, and other game lines as well as books such as

Nightbane® Book Four: Shadows of Light

TM and both versions of the

The Mechanoids

®

RPG

(1985) and

The Collected Mechanoid Invasion

®

Trilogy

(1981-1983).

Palladium Presence at A-Kon – June 10-12, Dallas, Texas. Reminder to fans in the Dallas-Houston area that Megaversal Ambassador Kenneth Haun is running something like 9-12 Palladium gaming events at A-Kon. Join the fun. Sorry, none of us can make the event.

Palladium to attend Gen Con Indy – **August 4-7.** I mention this every week because we want to make sure everyone knows and swings by our booth. Spread the word. Even though there are no "official" Palladium gaming events there are always a bunch of "unofficial" games. Please stop by the Palladium booth to chat and get autographs, pick up new books and back stock titles, and have some fun. Palladium people you'll get to meet include:

- Kevin Siembieda
- Wayne Smith
- Nick Bradshaw (artist, tentative)
- Michael Mumah (artist, tentative)
- Brandon Aten (writer)
- Matthew Clements (writer; tentative)
- And others to be announced.

UPDATE: Palladium's Facebook numbers grow. We are only around 90 people away from hitting 3,000 people who like the Palladium

Facebook page

. I responded to a few postings and continue to make an appearance every couple of days. Alex continues to leak information about the Vampire Kingdoms™ as he edits more material, and other Palladium creators pop in on a regular basis.

QueenofGhouls.com – Kathy Simmons continues to whip up new <u>ghoulish creations</u>. There's a Zombie Doctor that's almost finished and I think a new witch is coming soon, along with more zombies, wizards, werewolves and creatures of the night. Halloween is only four months away!

UPDATE: Alex and his house. The delays, stress and cost have taken their toll on Alex these past couple of weeks, making him look worn out. We've finally had a number of dry days (too bad they've been in the 90s!), and work is progressing quickly now. The electrical work is finished, the outdoor work should be finished by the weekend, and the furnace work should be done by the beginning of next week. After that, it's interior painting, carpeting, and inspection by the city! Looking good. Hang in there, Alex! Almost done.

Behind the Scenes Report:

Rex Barkdoll, the chief architect behind Palladium's new website, visited the Palladium offices for the entire week. He came in Tuesday and left Sunday morning. He got to meet the Palladium staff plus Mark Dudley, Thom Bartold and Matthew Clements. Rex, Wayne and Thom worked on ironing out website bugs (most of them resolved by the time you read this), plus Rex and I plotted out future plans for Palladium Books, the website, Twitter, videos on YouTube and many other things. We also talked about game design, Palladium history, movies and other ideas and fun stuff. As I wrote in my Murmur

, everyone took an instant liking to Rex. He is one of those people who reaffirm your faith in humanity. He's young and vibrant, filled with ideas and dreams, and has the talent to make them a reality. Best of all, he's a good person and a great guy.

I had a lot of meetings last week with Rex, as well as *Mark Dudley* and *Matthew Clements*, and communicated with a number of Palladium freelancers (Nick, Kent, RC, Greg, Mark, Irvin, Mike, Mike and others). Man oh man, the excitement is electric and I'm constantly impressed with the caliber of talent at Palladium Books. I guess the

Creators Conference

really did the trick, because many of these folks are kicking it up several notches. There are a number of new role-playing projects growing behind the scenes and a few ideas have even knocked my socks off. Nice. I'll talk about them in detail after we get some of the current books out.

The product log-jam is about to burst. I'm still shooting to get Rifts® Vampire Kingdoms™ in your hands by the end of June. It will be followed by

The Rifter® #55

and

Rifts® Lemuria

. They should be followed by

Robotech® New Generation

TM

, Rifts® Megaverse® in Flames

 $^{\text{TM}}$ and

Rifts® Vampires Sourcebook

.

Meanwhile, several new sourcebooks are in development for the **Palladium Fantasy RPG®**, **Robotech®**, **Heroes Unlimited**

ТМ

, Nightbane®, Chaos Earth

TM

and

Rifts

®, we continue to develop ideas for comic books based on Palladium IPs, and more out of print titles are coming back in print.

30th Anniversary Celebration

- means special offers for you

Palladium Books® has been publishing for thirty years. I've been looking for ways to celebrate, and since people have enjoyed the last two weekend sales, I thought it would be fun to have 2-3 more, making *June the Month of Palladium Sales*. I have a few ideas floating around already and I may even dust off a few out of print or limited edition items that I have tucked away, like some signed and numbered

Rifts® Ultimate

Gold Editions or

out of print early issues of

The Rifter

®, and a few other things. Some may be limited by quantity, and available only on a first come, first served basis, while others won't have any limit, just priced to make you smile. You know, items and prices that are fun and exciting.

I'll figure the first **Palladium 30th Anniversary Sale** out in time for the next Weekly Update. Each will only last 4-5 day, and will only be offered in the month of June, so keep your eyes peeled and spread the word.

Keep those wonderful imaginations of yours burning bright.

The Queen of Ghouls: Life-Sized Halloween Props

Check out the new creations by Palladium's very own *Kathy Simmons*.

See her zombie doctor and other new zombies, Jack Skellington and Sally, and more. New creations

are on the drawing board, and so is a new website. Each Halloween prop is truly life-sized (most are 6 feet

or taller – Jack is almost 8 feet) and seems almost alive.

Each is an all-weather, life-sized Halloween prop that can handle rain and snow, and is a

one-of-a-kind work of art (no two are exactly the same). Each looks frighteningly "real." All come

apart and fold down to slightly larger than a king-size pillow for easy storage. Comes with easy

instructions, a plastic storage bag, and the lawn stake to stand it up in your front yard. Indoor stand

sold separately.

Types of "Ghouls" include:

Zombies (all kinds!), killer clowns, wizards, witches, devils, grave ghouls, scarecrows, executioners,

mad doctors, deadly nurses, vampires, werewolves, and more. Kathy's also now offering an

array of hand-painted H alloween signs, signs with heads and bodies hanging from them,

witch's brewing pots, Halloween centerpieces and more. Best of all, her high quality creations are much more

affordable and imaginative than most competitors or mass produced items in a store, making them

affordable Hallowen fun.

If you think the photos online

look good, you should see them in person. A typical "ghoul," as she calls her creations, costs \$129-\$259. You can see some of her work at her Queen of GhoulsTM Ebay store enofghouls.co
