**What is a Christmas Surprise Package?** \$80-\$90 (or more!) worth of Palladium Books product for only *\$38 plus shipping and handling. A minimum of eighty dollars (\$80) retail.* Sometimes much more! Santa Kevin often packs in \$90-\$100 worth of goodies.

We try to include many of the items on your "wish list," but we'll surprise you with stuff you are not expecting. All Surprise Packages are "handpicked" by *Kevin Siembieda* from YOUR "wish list." All books will be *autographed* if you want us to sign them. For many of you, this is the only way to get autographs!

**Spread the word.** Tell all your gaming pals, because the Christmas Surprise Package is only publicized by word of mouth, to readers of **The Rifter®** and on **Palladium's website,** so tell everyone you know. Buy one for *every gamer you know* and *have a very Merry Christmas*.

**– Ships Next Week – December 5 – or sooner**

We’re hoping this unique and fun title arrives early (Friday). Even if it doesn’t, it ships next Monday.

Everyone wants to know what’s going on with the **Rifts® movie**.

Well, this book presents an insight and behind the scenes info on that front by Kevin Siembieda, plus an entire screenplay written on speculation by

*Matthew Clements*

as well as game stats and artwork for major characters in the script. Kevin was so impressed with the writer’s screenplay that he had Matthew make changes and improvements and sent the second draft to

*Jerry Bruckheimer Films*

for their consideration. Meanwhile, Matthew and Kevin hit it off and the next thing he knew he became Palladium’s new staff writer.

We thought it would be fun to let Rifts® gamers and Palladium fans see the type of **Rifts® movie** we at Palladium Books would like to see made. So we are presenting Matthew's screenplay as a **proposed Rifts® movie script** and

### **Rifts® sourcebook**

. The screenplay is a fast, fun adventure story that is sure to please Rifts fans. To make it more fun, the author has statted out the key characters in the script and gamers can use the heroes, villains and story ideas in their own campaign should they choose to do so.

This is a unique product and a fun read that should appeal to all Palladium fans. After all, it lets the reader step behind the veil and see what goes on behind the scenes.
