

By Kevin Siembieda

**One game system – every genre – countless worlds – endless adventure**

Robotech® has consumed most of this week for us. In case you haven't yet heard, Palladium announced that despite our best efforts, we are unable to produce the **Robotech® RPG Tactics Wave Two rewards**

and simply do not have the financial resources to offer cash refunds for remaining **Robotech® RPG Tactics (RRT)**

Wave 2 pledges. Palladium is offering a refund in-kind by exchanging existing Wave One rewards for the remaining Wave Two pledges.

The response to the Wave One Reward Exchange Program has been strong and while most items are available in good quantities, they are only available while supplies last, on a first come, first served basis. If you are a backer and want to participate in the Exchange, please get back to us at your earliest convenience, before **March 20, 2018**. Thank you. More details about this sad circumstance and the exchange program can be found [here](#)

### **Liquidating Robotech® RPG titles and RRT products**

As stated last week, after proudly carrying the legacy of **Robotech®** in the role-playing games medium for 30 years, our license has expired and is not being renewed.

Palladium Books has only a small window of time to liquidate its remaining stock of [Robotech® RPG books](#) and [Robotech® RPG Tactics™ \(RRT\)](#) products.

While we anticipate offering sales on Robotech® product later in March, we cannot promise that all items will be available when the sales are offered. All Robotech® items are available only while supplies last. Case in point,

**Robotech® Genesis Pits (Cat. No. 555)**

sold out last week. And

**Robotech® New Generation Sourcebook**

is not far behind it. If there is a title you really want, we recommend you do not wait for a sale to acquire it.

We are waiting on the sales until we are reasonably certain we have enough to satisfy our Kickstarter backers participating in the Exchange Program. That said, [\*\*The Robotech® Shadow Chronicles RPG Hardcover Gold Edition\*\*](#) is on sale right now for \$40 (normal price \$70; signed and numbered limited edition). We have fewer than 50 copies in stock.

***Original Robotech® RPG & Sourcebooks PDFs – on sale now – available only until March 31 – DriveThruRPG.com***

PDF books of the original **Robotech® Role-Playing Game** and **source books**

from the 1980s and 1990s are already on sale on

[DriveThruRPG.com](http://DriveThruRPG.com)

– till March 31, 2018. After that, they will no longer be available.

Likewise, we believe Palladium Books will be required to remove even the FREE

[\*\*Robotech® RPG Tactics\*\*](#)

™ material from DriveThruRPG as we will no longer hold the license.

Please get all the items you desire for your personal library before March 31, 2018.

I would like to state that the people at Harmony Gold USA, Inc., have been wonderful partners to work with these many years. They went above and beyond the call of duty when it came to their assistance with trying to keep RRT alive. Our thanks to everyone involved.

## **UPDATE! World Book 36: Rifts® Sovietski™ – shipping**

Our awesome printer got [Rifts® Sovietski™](#) done a week early, so we shipped out some pre-orders last Friday and shipped the rest out on Monday. Distributor orders have also shipped, so the book should be hitting store shelves by the end of next week or the following week.

Take a look at the [FREE Rifts® Sovietski™ Sneak Preview](#)

**PDF**

available on DriveThruRPG. Check it out so you can see for yourself the wealth of source material and new ideas, new cyborgs, O.C.C.s, M.O.S. skill packages, combat vehicles and much more. The complete description for **Rifts® Sovietski**™ can be found later in this Update and in the Palladium store. Shipping now.

**UPDATE: Rifts® Bestiary™: North America,  
Vol. One and Two**

When not helping with RRT matters, artist Charles Walton II has continued to work on creature concepts and art, and I am working on the editing and rewrites. **The Rifts® Bestiary™**

**Volume One**

and

**Volume Two**

gather and format the existing beasts from the current World Books and Sourcebooks, PLUS a good number of fun new creatures and monsters to spice up your games.

**The Rifter® #80**

The latest issue of **The Rifter®** will include some official **Rifts®**

**Sovietski™**

source material, including 101 adventure ideas, along with a host of other exciting material.

**UPDATE: Dead Reign®: In the Face of Death™**

Ideas keep coming for [this sourcebook](#) about survival and life in the big city during the Zombie Apocalypse.

**UPDATE: Palladium Fantasy RPG®, Rifts**

®

**Disavowed**

™

**and Other Titles**

Just because a specific title is not mentioned does not mean it is delayed or not coming out, it simply means there is nothing to report other than “working on it.” We are working on a number of projects.

**UPDATE: 6 weeks until the *Palladium Open House*  
– April 20-22, 2018**

We have 90+ gaming events for the [Palladium Open House](#). Many run by the very people who create them. I know I'll be running 6-8 plus panel talks and hanging out, Julius Rosenstein is running 7, Carl Gleba 5, James Brown 5-7, Brandon Aten, Glen Evans, Taylor White, and the list goes on. We have 90 games for the weekend and will probably be adding another dozen or so. By the way that

includes RRT games and if there are enough participants, a Friday or Saturday Robotech Tournament by Peter Pidrak.

If you are attending and would like to run game events please let us know in the next week or two, though pick-up games are okay too.

I'm still surprised by how many Palladium fans do not know about this event. Met a couple just yesterday who didn't know and who said they would be coming down. So please spread the word and join us for a long weekend of fun and games with the very people who create them. Always a blast.

- **Come play at the very site where the magic happens.**
- **Three days of gaming (4 for those attending VIP night), plus panel talks, live auction and more.**
- **Many games run by the writers and artists who create them!**
- **Saturday Auction (original art, out of print items and oddities).**

- **30-40 Palladium creators will be present to chat and sign books.**
- **Get original artwork, character sketches, books and more.**
- **March 15, 2018 – Hotel reservation**

## **deadline!**

Our thanks to the many Game Masters who have contacted us about running games. Please keep the offers and game descriptions coming. The rest of you, please join us for an epic, fun weekend that will create memories you'll cherish for years to come. We welcome you like family because that's how we think of you.

# **New! Rifts® Bestiary™ : North America, Vol. One**

A series of books that collects all the notable monsters, dinosaurs and creepy crawlers and creatures of Rifts® North America (US, Canada and Mexico) into two juicy volumes with a number

of new creatures. Each volume includes maps and new creatures, large and small, to help or plague player characters. Between them, these two volumes compile all the beasts of *Rifts North America* (unintelligent monsters, predators, notable animals and intelligent beings that are monstrous or animal-like in appearance or behavior) from all current World Books and

Sourcebooks. In addition, Kevin Siembieda, Chuck Walton and Greg Diaczyk are adding some new monsters to make life in the wilderness interesting. Presented in alphabetical order, with maps showing their range and location, in two big books.

Winter releases, both volumes are being worked on

simultaneously, right now, so that Volume Two will quickly follow Volume One within 4-6 weeks. Other volumes, like a Bestiary of Spirits and the Supernatural, are likely to follow.

Future volumes will include spirits, ghosts and entities, another on dragons, other volumes on creatures in other

parts of Rifts Earth, and so on.
