I hope your Christmas weekend was filled with laughter and pleasant surprises. My Christmas was small and fun. Kathy and I got together with a few friends and family, exchanged gifts, spoke with loved ones on the phone and by email, and enjoyed a very pleasant and relaxing weekend. I received books and music to inspire my writing in the new year, as well as a number of other thoughtful gifts. I have to say, I was feeling rather worn out, so I took Christmas and Monday off, and the guys got a well deserved three day weekend. Then on Tuesday, I surprised the crew by taking them to see *Star Wars: Rogue One*. Author Matthew Clements also joined us for the show. Yes, you can nitpick the movie, but it had the Star Wars vibe and an excellent music score (even though it is not by John Williams). I think we all enjoyed the break in our long day back at work.

People are taking advantage of the extension of the [Christmas Surprise Package offer](#) and orders continue to be strong. Otherwise we are back to work at getting books to the printer in fast order. And the ideas are still flying.

**2 weeks left to get a Surprise Package – offer ends January 15, 2016**

**Why does Palladium extend this amazing offer?** Because we realize many of you are so full of the Christmas Spirit that you spend your money on gifts for your loved ones rather than yourself. This wonderful act of charity often leaves no money for you to buy a [Palladium Surprise Package](#) for yourself. We think that sacrifice is pretty awesome and what the holiday season is all about, so we extend the offer so that you selfless souls can pick up a Surprise Package after the holidays. We know this happens because a lot people over the years have thanked us for the extension for this very reason.

*The extension is also for you Johnny Come-Latelies* who are so caught up in the holiday frenzy, work and life that somehow you miss placing your order for the Christmas Surprise Package before the offer ends. It’s also for those of you who wish you had ordered one (or another one) but forgot. Lastly, it is our way to carry that holiday good cheer into the New Year. So get your post-holiday Surprise Package and enjoy.

**This offer will not be extended further.** This is your last chance until next winter, so do not delay in placing your order. Happy New Year!

UPDATE: The Rifter® #76 – January, 2017 release

The Rifter® #76 ships in January. And we are already putting together The Rifter® #77 for a February release. Two more great issues!

UPDATE: Everything else

A Happy New Year to all of you

I know, New Year’s Eve is a couple days away, but we wanted to make sure our sincere well wishes get to you before the excitement of another holiday weekend.

As far as I am concerned, the New Year should mark the beginning of a new era for Palladium Books. That’s how big and exciting our plans are for the future,
starting with 2017. In addition to plans for all our game lines, we are looking at some potential prospects that should take shape over the next few years. Things that may involve film, television and video games based on various Palladium intellectual properties. We are also looking hard at starting a Palladium podcast about role-playing games, game design, the art of running and playing RPGs and the history of Palladium Books. I will talk more about these things in upcoming Weekly Updates.

Start out the New Year with one more Christmas Surprise Packages (or your first), enjoy the weekend and keep all of those beautiful imaginations burning bright. May the New Year bring prosperity, good health and new wonder into your lives.

– Kevin Siembieda, Game Designer, Writer, Publisher

R.D. in Silver Spring, Maryland, writes (in part): I only need Wolfen Empire and Bizantium to complete my Pall
adium Fantasy®
collection. Of my
Rifts

War series. Excellent material! ... Also, great job on the previous grab bag this
year, enough that I want round two.

[There is still time for “round three,” R.D. Glad we can help fill in those holes and
provide plenty of fun. Happy New Year. – KS]

E.T. in Bellevue, Washington, writes: I have never not been happy with

[Thank you, M.C., for the kind words and support. I love G.M.ing too. There is nothing like it. – KS]

D.J. in Honolulu, Hawaii, writes (in part): Favorites: Definitely Heroes Unlimited™, but I have fond memories of After the Bomb ® and Robotech ®. I now have hours and hours of inspiration for the group’s games ...

[Heroes Unlimited in one of my faves too, D.J. Thanks for the kind words. Happy holidays and good gaming. – KS]

P.K. in Griffin, Georgia, writes: I have been running a couple of games with my son and some of his friends for a couple years now. We have about 10 people playing every week. Palladium is the BEST!

T.P. in Livermore, California, writes: Thanks again for the Surprise Packages. Ordering my third. Figured I’ve been a good boy this year and deserve it.

[Hey, T.P., I hope you enjoy the third Grab Bag as much as the first two. Happy Holidays. – KS]

J.C. in Iowa City, Iowa, writes: I’m fairly new to Rifts® but these sourcebooks look amazing. I lean toward horror and supernatural, but enjoy high-tech in my RPGs, too. I trust in you guys steering me in the right direction.

[J.C., I think you’ll like the items we included in your Surprise Package. You sent a good list and your comments should have helped us provide you with the items you’ll enjoy most. Game on. – KS]

I.P. in Indianapolis, Indiana, writes: Rifts®!! And to be fair, I haven’t played in 20 years or more, BUT I Kickstarted everything GM for Rifts® Savage Worlds, and got my group back together. We’ve made PCs, we’ve played a couple of the “one sheets” and are ready to go GONZO NUTZ! I missed these themes so much over the last 20 years. Dunno why I ever stopped playing!

[Welcome back, I.P. We are thrilled you are having a blast with Rifts® for Savage Worlds. Game on! – KS]

K.J. in Surprise, Arizona, writes: This shipment is to a California State Prison. Thanks for helping make their time more peaceful by bringing them together in
these games. Blessings for a Merry Christmas!

[Thank you, K.J., we’ll take all the prayers and blessings we can get. The same to
you and yours. I wish all prisons realized how much role-playing games help
inmates to pass the time in a more peaceful and creative way. I hope your
Christmas was nice, and you enjoy a happy New Year. – KS]

S.M. in Bloomington, Indiana, writes: Two weeks ago I visited the GameNerdz
website. On their ‘just in’ list was the
Palladium Fantasy
® sourcebook
Yin-Sloth Jungles™
. It looked interesting, so following the link I discovered the world of Palladium
role-playing games. Many Youtube videos and online reviews later, I got
Bizantium™
and the core Fantasy book, and have been enjoying them immensely. This is a
great RPG system and imaginative world. Thanks so much for sharing them with
us!

many games and world settings. – KS]

your Christmas was merry as well. – KS]
E.A. in Burien, Washington, writes (in part): Favorites: Rifts®, Phase World®, Robotech®, Heroes Unlimited™, and Palladium Fantasy®. This will be my second Grab Bag. The first was amazing from last year. I have played Robotech® since you first published the game in 1988. I have always had tremendous fun in this world setting. I’ve grown into Rifts® in 1993, MIND BLOWN! The setting gives my players worlds and worlds of adventure, time and time again. The new version of Robotech® has been nice, detailed and I adore the creation process ... Even my kids play in games now. From my heart and childish grin, I thank you for what your games have been able to allow me to share, great times with some amazing people.

[Amen to that, E.A., “great times with some amazing people.” That’s what role-playing at its best is all about. I hope the fun continues into the New Year and for many more to follow. Btw, Palladium’s first Robotech® RPG came out in 1986, so either you’ve been playing longer than 1988 or jumped on board soon after. Either way, glad to have you along for this extraordinary journey. Happy New Year. – KS]
